NORTHEAST MISSOURI STATE COLLEGE
KIRKSVILLE, MISSOURI

NINETEEN SIXTIES:

The decade of the nineteen
Sixties is now history, and
Subject to the scrutiny of
Future critics. How, then,
Can we describe this period,
The ten years which saw most
Of us grow from childhood
To adulthood?

In many ways it was a violent
Time. John Kennedy, Robert
Kennedy, and Martin Luther
King, all fell victim to assassins'
Bullets, while eight student
Nurses in Chicago and fourteen
Bystanders in Austin died
At the hands of madmen.
Policemen's clubs grew bigger,
And over-crowded prisons
Seemed to grow smaller.

The Berlin Wall proved that
Democracy and communism could
Not exist side-by-side. The
Negro became the black, and
Made it clear that he
Could no longer exist as a
Second-class citizen. Lester
Maddox proved that anyone
Could be in government,
While the hemline rose, and
The value of the dollar
Fell.

THE EXPLOSIVE YEARS

Four presidents served in the
1960's. Dwight Eisenhower,
John Kennedy, Lyndon Johnson,
And Richard Nixon all had a
Hand in shaping the decade,
And were, at times, objects
Of both deserved and
Undeserved criticism.
The Gallup Poll became the
New prophet of the age in its
Search for the elusive
"Silent Majority."

In the sixties we learned
That we could no longer
Smoke our cigarettes, drink
Our diet soda, breathe our
Air, swim in our water,
Or watch color television.
Parents' worries were
Complicated by sexier movies
And more violence on
Television.

Youth became a powerful
Force in the sixties. Young
People dictated the trends
In music, fashion, and
Education. Music progressed
From the simple melodic
Style of the early Beatles,
And became a powerful vessel
Of social comment.

'The Torch Has Been Passed

Politics also felt the impact
Of the young, who, as never before,
Tried to gain a voice in
Government. "The Generation
Gap" became a popular phrase,
Depicting the unwillingness
Of the young to accept the
Totality of their parents'
Society.

In 1965 the unpopular
War came to America. As our
Military involvement
Increased, so did the
Dissension on campus. Never
Before had the morals of
Our Country been more
Severely questioned. The
Draft became an object of
Rebellion and a symbol
Of the war. Many refused
To serve; many who served
Died.

Many great men died in this
Decade, among whom were,
Dag Hammorskjeld, Dwight
Eisenhower, Adlai Stevenson,
Albert Schweitzer, Robert
Frost, Winston Churchill, and
Ernest Hemmingway.

To A New Generation'

(President John F. Kennedy)

1969 was the year of the
Underdog. The Jets won the
Super Bowl, the Mets won the
World Series, and the
United States beat Russia
To the moon. However,
Avis never quite became
Number one, and Shirley
Temple never quite became
Congresswoman from
California.

Machines ran American industry
In the 1960's.
Faced with the prospect
Of more free time, many Americans
Turned to such dubious diversions
As alcohol, drugs, sex, and golf.

In looking back at the
Sixties, one can see a decade
Of tremendous motion. Some,
Of course, would say that
It was motion in the wrong
Direction. Others, however,
Feel that in the latter
Half of this decade people
Truly began to get
Together—an act which,
If allowed to continue, could
Be the greatest omen of the
Century.

Queen Competition Draws Fifty-two Coeds

Fifty-two coeds were nominated for the title of 1970 ECHO Queen, and petitions with approximately fifteen hundred student signatures were submitted to the ECHO office.

Judging for final elimination was held December 15 in the Alumni Room of the Student Union, followed by a reception for all nominees and judges. The panel of judges consisted of faculty, students, and Kirksville representatives. Student judges were Bob Levy, Ron Sterchi, Pat Sullivan,

Carroll Tankesley, Gretta Harris, Jerry Northcutt, and Perry Bradshaw. Representing the college faculty were Mrs. Dollie Wilson, Mrs. Charlotte Mittler, Terrance Moser and James Preston. Kirksville residents included Mrs. Dianthe Cable and Darrell Stick.

From the fifty-two, twelve semi-finalists were chosen from which five were selected as Echo Queen finalists.

Seated: Reve Gnuse, Summer Barry, Pat Goeke, Roni Fulbright, Phyllis Sargent, Gloria Sangeorge, Karen Bell, Karen Young, Esther Skinner, Barb Courtney, Ginny Greening, Jane deBruin. Standing: Jana Greig, Becky

Swisher, Kathy Forness, Debbie White, Lynn Reifert, Nancy Lammert, Karladine Thurman, Cathy Brennecke, Jo Goldman, Carla Albrecht, Kathy Isley, Connie O'Dear, Missy Burnaugh, Pat Fridley, Carolyn Smith.

Five coeds were chosen from a field of fifty-two candidates to vie for the title of 1970 ECHO yearbook queen.

Darlene Benskin, a freshman business major is the daughter of Mr. and Mrs. Earl Benskin of Chillicothe. Sponsored by Alpha Sigma Alpha, Darlene plans either a teaching or a secretarial career.

Sophomore English major LaRhonda Fulbright was sponsored by Sigma Sigma Sigma sorority. The daughter of Dr. and Mrs. A.C. Fulbright, Roni transferred from the University of Arkansas. Her main interests include art and creative writing.

Finalist Karen Koenig plans a career in her major field

of physical education. Sponsored by Sigma Kappa sorority, she is the daughter of Mr. and Mrs. John Koenig of Webster Groves.

A veteran of queen competition, Carolyn Smith was band queen at Milan High School. As a freshman business administration major, Carolyn plans a teaching career. This independent sponsored candidate is the daughter of Mr. and Mrs. Coleman Smith of Milan.

Sponsored by Sigma Kappa sorority, Pamela Wares is a physical education and guidance major, and plans a teaching career. She is the daughter of Mr. and Mrs. Dale Wares of LaPlata.

Dawson Chooses Yearbook Queen

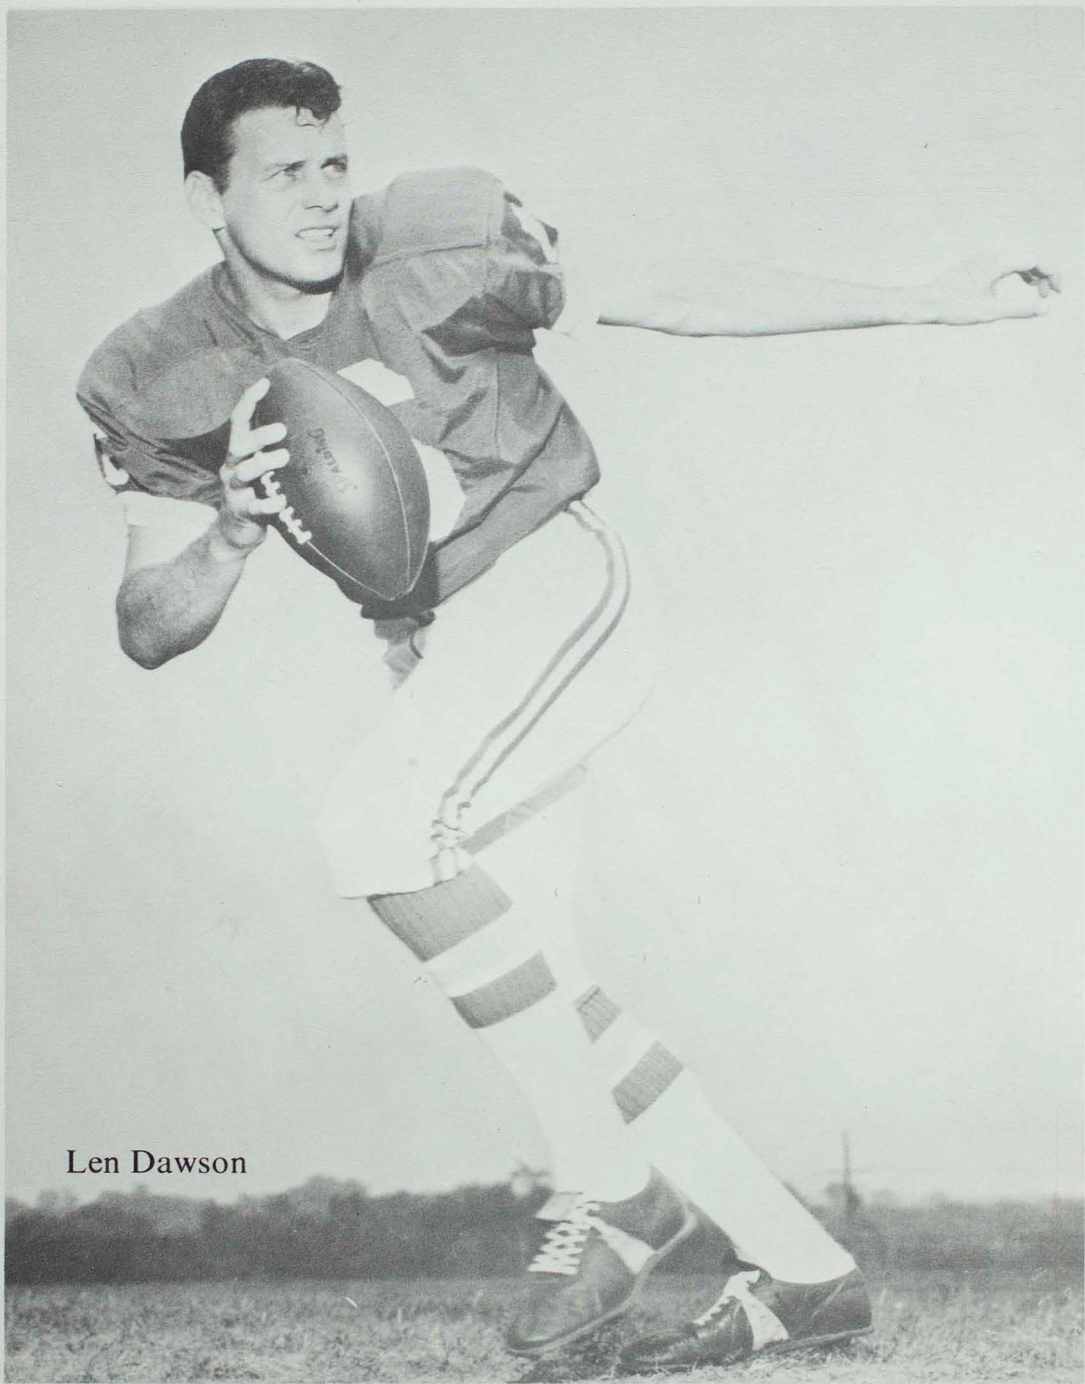

Len Dawson, quarterback for the 1970 World Champion Kansas City Chiefs, accepted an invitation to choose the 1970 ECHO queen from pictures of the five finalists. Dawson, who piloted the football chiefs to a 23-7 victory over the Minnesota Vikings in the Super Bowl, selected the queen during an interview at KMBC television studios in Kansas City where he is employed as a part-time sports announcer. Having been propelled into the national spotlight after the championship game, Dawson appeared on various television programs, including the Tonight Show and the Dick Cavett Show.

Perry Bradshaw, Echo Yearbook editor, looks on as Len Dawson, quarterback of the Kansas City Chiefs, tries to make his difficult decision. After lengthy deliberation, Dawson selected the 1970 Echo queen from the five candidates' pictures.

College Hostesses for the Echo Queen Contest included: (left to right) Cathy Powell, Mary Jurgenson, Nancy Fountain, Becky Inlow, Marla Mundell, Sheila Caldwell, Judy Harris, and Brenda Riley.

Board members sitting: Raymond Baker, Vice President; James Reinhard, President; Bruce Hunt, Secretary. Standing: Dr. Eli F. Mittler, Interim President; Mary Alice Bunney, Howard Hoffmaster, John Bartow.

Reinhard Serves As Board President

James R. Reinhard served as President of the College Board of Regents during the past year. Other officers included Raymond Baker, vice president, and Bruce Hunt, secretary. Howard Hoffmaster served as a member until December; at that time he resigned due to a change of positions with the Lee Newspaper Enterprises. Replacing him was James F. Jae, Jr. Other members were John Bartow and Mrs. Mary Alice Bunney.

The by-partisan board, three Republicans and three Democrats, were appointed by Governor Warren E. Hearnes. The Regents hold their offices for the term of six years.

Dr. Mittler Serves as Interim President

Dr. Eli F. Mittler was appointed as Interim President of NMSC following the resignation of Dr. F. Clark Elkins. Mittler, who became the first Interim President in this school's history, announced an "open-door" policy in regard to students visiting his office. Appointed in June of 1969, Dr. Mittler served as President until Dr. Charles McClain assumed the duties of the office in February of 1970. After completing his term as Interim President, Dr. Mittler assumed the position of Vice-president in charge of extra-divisional affairs.

Dr. Mittler attended Central Wesleyan College and received his B.S. in Ed. from Central Missouri State Teachers College, Warrensburg. He holds M.A. and Ed. D. degrees from the University of Missouri, and has done post-graduate work at the University of Minnesota and Columbia University.

Dr. Mittler is taking a brief time-out while he occupies the president's chair during his Interim Presidency from July 1 to January 31, 1970.

Dr. Mittler, prior to his appointment as Interim President, was head of the Division of Extension Services which provides people with the opportunity to take correspondence and extension classes.

Dr. Charles J. McClain Assumes

Dr. Charles J. McClain became the tenth president of Northeast Missouri State College on February 1, 1970. He served as president of Jefferson College at Hillsboro, Missouri, prior to his coming to NMSC.

McClain, 38, is married and the father of two teen-age girls. His family will remain in Hillsboro until the completion of this academic year.

He is a graduate of Southwest Missouri State College at Springfield, received his master's degree in Education from the University of Missouri at Columbia and his doctorate in Education from the University.

McClain was Director of Public Relations at Southwest Missouri State from 1955-1956; served as Superintendent of Schools, Jefferson County, from 1956-1959; was Assistant Dean of the College of Education, University of Missouri, from 1961-63; and became president of Jefferson College in 1963.

McClain was Chairman of the President's Council of Missouri Public Junior Colleges from 1967-69; President of the Missouri Association of Junior Colleges, 1966-67; Vice president of the Missouri Congress of PTA, 1965-68; Chairman of the Three Rivers District, Boy Scouts of America, 1966-68; is a member of the Board of Directors, Girl Scout Council of Greater St. Louis; was President, Department of Universities, Colleges and Junior Colleges of the Missouri State Teachers Association, 1965-66; is a Fellow of the Presidents' Council of the American Institute of Management; served as Chairman of the Teachers Education and Professional Standards Committee, Jefferson County Teachers Association, 1966-67; and was chairman of the Legislative Committee of the Missouri Association of Colleges and Secondary Schools.

He has had articles published in the "Modern Language Journal", "College and University Business", the "Missouri Parent Teachers Association Journal" and other professional journals.

McClain served on the Governor's Conference of Education 1966-68; is a consultant for the Institute for Junior College Student Personnel Officers at the University of Missouri and a professional adviser, Public School Systems, In-Service Educational Programs. He is also a member of the Commission on Colleges and Universities, North Central Association of Junior Colleges from 1965-66.

P.R. Division Releases News

Robert L. McKinney served as Assistant to the President and as Head, Division of Public Relations and Information Service. Activities performed by his division included the dissemination of College news by Mrs. Joyce Delehaunty, who was employed by the College effective September as a newswriter.

William Cable, director of publications, also served as sports information director; John Kenney was the College publicity photographer and instructor in photography.

Directing the alumni activities was Russell Harrison under whose leadership the NMSC Alumni Association conducted fall and spring meetings in various counties of Northeast Missouri.

The ECHO yearbook and the INDEX newspaper were under the direction of Joe Galkowski.

Dr. Arthur L. Fritschel, dean of instruction, is preparing a report that he is to submit to the Curriculum Council.

Dr. Harold Copenhaver was appointed to the position of assistant to the dean of instruction this year.

Instruction Dean Advises Students

Dr. Arthur L. Fritschel, dean of instruction, acted as chief academic officer of the College for the past year. Dr. Fritschel was the coordinator of this year's expanded Day of Dialogue in February, and was instrumental in its creation last year.

The switch from quarters to semesters this year brought about transition problems which were dealt with largely by Dr. Fritschel. His office was helpful in advising students how to best utilize the semester system in completing the required courses for their degree.

Dr. Fritschel served on the Curriculum Council, which decided any changes, additions, and improvements of the existing academic program. Dr. Fritschel maintained a personal contact with interested students, despite his serving on various other councils and committees.

Taking time from her administrative duties, Dean Gramann prepares to make traditional presentation to the Homecoming queen.

The administrative demands of his position call for Dean Henry Boucher to do much research on latest trends and developments.

Administration Serves Students' Needs

With a wide range of responsibilities, the Division of Student Affairs, under the leadership of division head, Henry Boucher, was in charge of the administration and supervision of student conduct and discipline, student organizations, social activities, both on and off campus housing, student aids, awards and scholarships, student employment, and other non-academic activities concerned with the general welfare of the students.

Faculty sponsor of the Panhellenic Council, Dean of Women, Rita Gramann, also worked with beginning freshmen, set up the social calendar, distributed the monthly activities calendar and made her office available to all

college coeds.

Dr. William Kunzler, Director of Freshmen Enrollment, was responsible for the orientation, advising and enrollment of all new freshmen. He was also the sponsor of Student Mentors and Men's Dorm Council.

Housing arrangements for students, both on and off campus, was the primary objective of Director of Housing, Al Holzmeier.

The Work-study program is effectively run from the office of the Director of Financial Aids, under the leadership of Wayne Newman, for qualified students who seek financial aid while attending college.

Rita Gramann

Graduate Dean Judson Martin has the responsibility of evaluating the applications of those students who desire to enroll in the graduate division.

Office Administers Graduate Programs

Promotion of the Graduate programs at the college is the major function of the Office of Graduate Studies. Duties include receiving applications for admission to graduate work, receiving transcripts after a bachelor's degree or master's degree has been earned, and evaluating the applications and transcripts.

The director of Graduate Studies works with the Graduate Council in formulating and revising policies. Various procedures were modified this year in adjustment to the change to a semester system.

Charles Elam, Director of Admissions, supervises and coordinates the admission of freshman and transfer students to NMSC.

Admissions Office Welcomes Students

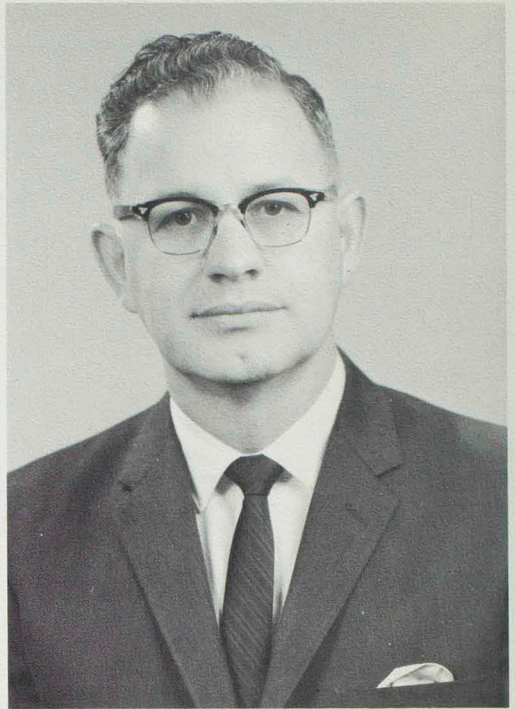

Responsibility for admission of students to NMSC is a major part of the Admissions Office. This office makes contacts to high school seniors through college days held at various high schools in the area. The Admissions Office provides assistance to the high school students in selecting a college and obtaining material about NMSC, particularly in fields of individual interest.

A senior day is held on campus, directed by the Admissions Office, to allow a chance for high school students to visit the campus and explore its services, facilities, and course work.

Registrar's Office Maintains Records

Academic records are kept under supervision of the Registrar's Office. Responsibilities of the office include maintaining accurate student records of credit and grades, providing transcripts, evaluating transfer credit, certifying credit to other schools and the State Department of Education, and sending out student grade reports.

Another duty of the Registrar's Office is direction of various class registration procedures. This year a new arrangement was made, providing for student assistance at registration by Registration Mentors. Requirements for student aids included academic average, clerical ability, and the desire to help students.

Dr. Orville E. Bowers serves the college as Registrar.

Maintenance Dept. Protects Campus

In addition to providing college engineers, security patrol, custodians, electricians, firemen, carpenters, painters and gardeners for the college campus, the Maintenance department handled some special jobs this year. Protecting the campus grass, draining the sidewalks of water, and removing snow were some of the miscellaneous duties faced by the maintenance department.

Director of Maintenance, Howard Morris, is assisted by a chief engineer, head custodian, head gardener and chief of security.

Gene Schneider serves the maintenance department as the chief engineer for NMSC.

Howard Morris directs the division of Maintenance at NMSC.

Dr. Robert Wright looks over scores made by students who have taken vocational interest tests.

Dr. J. C. Wright became the acting head of Extension this year.

Study Lab Started By Testing Center

Working with students on academic probation, or those returning to school after academic suspension, is a major service of the Counseling and Testing center. Directed by Dr. Robert Wright, the center introduced a study methods laboratory this year, designed to assist students who have inadequate study habits.

The center also offers counseling for students with vocational planning problems, educational problems of any nature, and social or personal problems. The staff includes four counseling psychologists and one psychometrist.

Dr. Richard Mease

Dr. Jack Reiske

Extension Division Places Teachers

Furthering college services to as many areas as possible is the objective of the Extension Division. The division serves college students, high schools, teachers and communities.

Included in the Division of Extension Service are the Bureau of Placements, Bureau of High School Educational Activities, Bureau of Audio-Visual Education, and the Bureau of Correspondence and Extension Service. Students who are unable to attend an educational institution may take courses through this service, and public school teachers may take courses toward a degree under supervision of the division.

Dr. J. C. Wright serves as acting head of the Extension Division. Under his direction are Kathleen Bohon, Bureau of Placements, Forest Crooks, Bureau of Audio-Visual Education, and Noah Richardson, Bureau of Correspondence and Extension Service.

Business Service Controls Finances

College financial and business matters are directed by the Division of Business Service. With the central office located in Baldwin Hall, services extend to the entire campus. Under supervision of this office is the purchasing agent, who makes requisitional purchases for the college, and the comptroller, who administers the internal budget and certifies expenditures.

Also included in this division was the Stenographic Office, responsible for duplicating service for the college, and the telephone exchange switchboard.

Pete Nicoletti

Union director Kenneth Sykes attempts to provide uniformity and coherence to the Union's management of diverse functions.

Union Serves As Center Of Activity

Students, faculty, and guests of the college campus enjoy services of the Student Union. Since the union opened in 1967, many activities have been centered in the building. Facilities include a snack bar, cafeteria, dining room, a bookstore, a barbershop, and a games room. Students also use the lounge for study and the tv room for entertainment.

Student organizations frequently make use of the Activities Room and meeting rooms upstairs. Various community organizations also hold meetings, breakfasts, luncheons, and banquets at the Student Union. Receptions, recitals, parties and dances for the entire student body are also held in the Activities Room.

The data processing equipment is utilized by many teachers in an effort to facilitate testing and grading techniques.

Center Handles Information Systems

Robert Bradley serves as head of the Data Processing center.

Responsible for supervising the development of information systems for the college is the Data Processing Center. Some of these responsibilities are fulfilled by offering advice in the areas of information storage, information transmission, or information usage.

During the past year, several new systems were developed and implemented by the center staff for the division of Business Services. In addition, a research grant was accepted from the Missouri Commission on Higher Education to develop a facilities information system for the colleges in the state. These activities and the operation of our student and alumni information systems has caused a great increase in the regular activities of the center.

Future plans call for an intensive analysis and updating of current systems, and the development of systems in several new areas.

Upward Bound Uses Special Curriculum

Upward Bound is a college preparatory program designed to generate the skills and motivation necessary for success in education beyond high school among young people from low income backgrounds and often inadequate secondary school preparation. The program seeks students with potential whose ability and personal worth may not have been recognized in the typical classroom.

Instructors and tutor-counselors are carefully selected for their capability and willingness to try innovations in teaching and their ability to understand and identify with the Upward Bound student. A special curriculum is designed to involve students in learning experiences which will help develop creative thinking, effective expression and attitudes toward learning needed for post-secondary educational success.

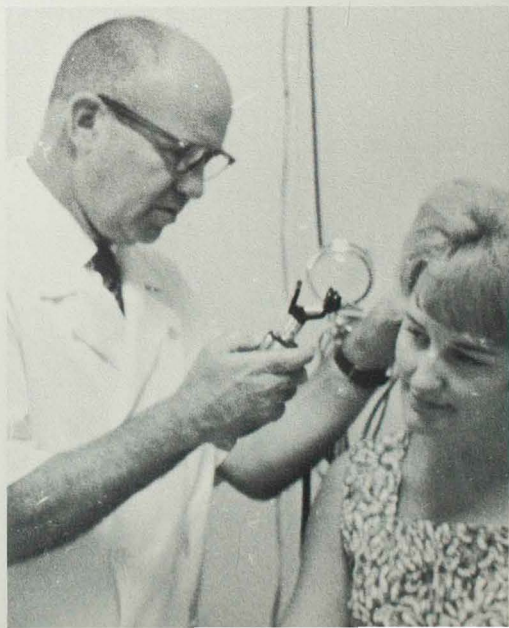

Basil Morlan, head of Upward Bound, supervises the operations of the program, which seeks to increase educational opportunities of young people.

Free Medical Aid Offered To Students

Clinic services for students include medical treatment and minor surgery. The clinic, located in Kirk Building, is available for all students. Special services include flu shots to hundreds of NMSC students.

Tests and immunizations are given free of charge when requested by the student and recommended by Dr. John Biggerstaff, supervisor of the College Health Office.

NMSC student takes advantage of clinic services and gets medical aid from Dr. John Biggerstaff, college physician.

Home Economics Broadens Program

Special fields of concentration were added to course work available in the Home Economics division. For those enrolled in the Occupational Program in Child Development a new laboratory was provided in remodeled quarters of Adair House near Violette Hall. Other special fields included clothing and textiles, foods and nutrition, and home management. New equipment included a closed circuit television used in teacher education classes.

The Home Economics division curriculum is designed to allow majors in the field to teach particular areas of emphasis. Practical application of subject matter is possible in clothing construction classes, food preparation laboratory, child development laboratory and residence in the home management house.

Mrs. Dorothy Pearson, Head of the Division, looks through textbooks for supplementary material for class lectures.

Home Economics majors plan, not only for a teaching career, but also for a career as a homemaker.

Division Offers Flexible Program

For those students pursuing business careers, the division of Business Education offered a flexible program designed to: prepare teachers of business subjects for secondary schools and junior colleges, prepare students desiring a degree in business, and provide intensive short courses in business for those seeking immediate vocational training. Completion of one of the programs enabled students to obtain the Bachelor of Science degree, the Bachelor of Science in Education, or the Master of Arts degree.

In addition, a one and two-year certificate program was available to students who did not care to major in business but who had desired preparation for office and secretarial training. Certificate of Completion was granted to those who completed the program, with special recognition for those who maintained a B average or better.

During the past year, a two-year certificate program in accounting and data processing was set up, and a Master of Business Administration program is currently being formulated for the division.

Dr. Charles Kauzlarich, supervises the Business Division, which not only offers a degree to Business majors, but also a one and two-year certificate program.

Students increase their business knowledge by practicing drills in shorthand.

Student gains valuable advice from another student on writing brief forms in shorthand.

Students practice and improve their skills on secretarial machines including the IBM keypunch.

Education Division Prepares Teachers

Preparation for future teachers, school administrators, and counselors constitute the major purpose for Education Division faculty members. In addition, the division works toward understanding the role of a teacher or administrator in the community, as well as the school. Throughout this year, plans for improving student teaching training were made. Under the direction of Dr. Taylor Lindsey, the division strived to prepare students to become teachers, guidance counselors, principals and supervisors for schools in Missouri and throughout the nation.

Considerations for improvements for the campus included simulated classrooms, and an audio-visual center.

Education faculty helped to prepare approximately eight hundred student teachers this year. Courses stressed understanding of youth and school organization. The division offers degrees in elementary education, secondary education, administration and guidance.

Education courses include such student responsibility as making lesson plans and working in simulated classroom situations.

Fine Arts Boasts Pianos, Displays

Electric console pianos were an addition to the Fine Arts division facilities for elementary majors. The pianos operated with earphones and an instructor console, combining private keyboard lessons and practice with classwork. The division also sponsored programs for secondary teachers in art, music, and allied arts.

Important services of the division included opportunities for student performances in concerts, tours, programs and entertainment at special activities, such as football games. Art displays by students and faculty appeared in the Student Union gallery and Baldwin Hall. These functions served as experience for the fine arts students and opportunities for campus appreciation of the arts.

Dr. Dale Jorgenson, head of the Fine Arts Division, coordinates the tours, concerts, displays, special activities, and recitals in which music and art students participate.

PE Division Chosen For Pilot Program

The division of Health and Physical Education offered training and education in correct health practice and effective physical education teaching techniques, and stressed participation in a program of extra-curricular physical education.

To emphasize their goals, the division sponsored programs for inter-collegiate, extramural, and intramural competition for interested students; this department also had the responsibility of preparing professional nurses to serve the expanding medical needs of man.

During the past year, Life-Time sports authorities chose the Health and Physical Education department as a pilot trainer institution for April, 1970; this new program emphasizes the national demand for graduates skilled in life-time sports. The selection of this campus as one of the schools participating in this program served to focus interest on the work carried out by the Health and Physical Education division this year.

Participation in the intramural program serves as an integral part of the student way of life on campus.

The need for medical aid in the nursing profession is recognized by both civilian and military factions of society.

Old Department Finds New Home

Division work in Language and Literature included department revision in both English and Speech. In the Speech area, plans involved an updating of curriculum, according to indications of recent research, and maintaining the best of traditional programs. Considerations also included allowing more electives in general education and within the speech major requirements.

The English department offered a new course in linguistics during fall semester. Extensive curriculum revision to take place in the next few years was a part of the department planning. Another innovation for Language and Literature was the move to offices in Nason Hall.

Dr. Perry Whitmore began his second year as head of the division of Language and Literature. Along with his administrative duties, he taught a Mythology Class.

Audio-visual equipment was added to the Mathematics division this year. A new machine, the audiocan, illustrates information recited on tapes. Available to students during the day, the equipment serves to improve abilities in such areas as data processing key-punch.

Freshmen students were required this year to select a math course as part of their general education work.

Advanced mathematics courses enabled students to acquire preparation for teaching modern courses in the field, and provided a background for other related professions.

Dr. Dale Woods strives to keep the math program at a high level of excellence through awareness of new developments in the field.

Library Division Has Improvements

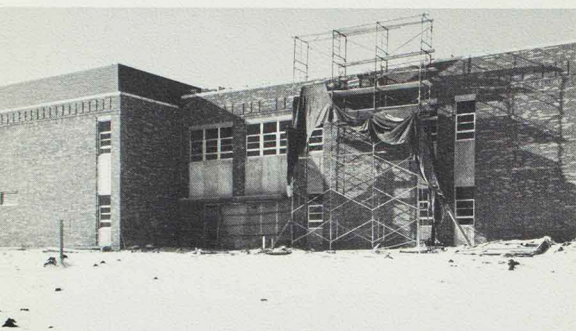

Improving library facilities to benefit both faculty and students was the primary goal of the Library Science division in 1969-70. A remodeling of the older part of Pickler Memorial Library was completed, including air conditioning and improved lighting. New study carrels, lockers, and enclosed work rooms for faculty members were installed.

Students enjoyed checking out pictures from the prints made available for loaning. Another innovation to the division was a library resources course required for new students. The library also participated in the Education Resources Information Center project, which makes information in the educational field available to students and faculty.

Industrial Arts Finds New Home

Looking toward completion of the new Industrial Arts building, the Industrial Arts division has already made changes and new plans. New courses of study have been offered in industrial technology and industrial occupations. A major in Driver and Safety Education has also been made available.

Industrial Arts students made use of added equipment in the area of industrial plastics, power mechanics and woodworking. Plans formulating this year include one and two-year technical programs.

Clinical Services Provided Students

Reading, special education, speech pathology and audiology made up the four major areas of interest in the division of Special Programs this year. Contained in the division was the Speech and Hearing Clinic which provided clinical services for the college students and people from surrounding areas. Here students conducted diagnostic clinics in speech, hearing, and reading. Division staff members also cooperated with the Kirksville Regional Diagnostic Clinic. Both graduate and undergraduate degrees were offered in this division.

Joining the staff of the division this year were Dr. Linnea M. Anderson as professor in Special Education; Mrs. Betty Bejcek as instructor in Special Education; and Mrs. Wynn Rutledge as instructor in Speech.

MA Degrees Offered To Science Majors

Space available for the science division has tripled in the past two years. The division has also begun to acquire facilities for its laboratory courses which were added to the curriculum in the fall of '69. Laboratory courses for freshman as general education requirements, including biological inquiry, earth science, and physical science are now offered.

Juniors and seniors were enabled to participate in research type courses in preparation for further work at the graduate level. The Master of Arts degree in education is now offered in science. Plans are being made to make a Master's degree in biology available.

Dr. Dean Rosebery, as head of the Science Division, was instrumental in implementing new curricula in the division.

Social Scientists Pick Many Degrees

Comprehensive courses of the general college contributed heavily to the division of Social Science. Required course offerings included World Civilization as well as subjects among the directed electives.

Students majoring in elementary education, business administration, vocational home economics, and several other fields were furnished the required courses by Social Science to complete their degree work.

Majors offered under this division were in the fields of social science, history, economics, geography, psychology, political science and sociology which led to the Bachelor of Science in Education degree. In addition, the Bachelor of Arts and Bachelor of Science degrees were offered in several areas. In the fields of social science and history, a Master of Arts degree was made available.

Colonel John F. Gerrity, formerly of Fort Hood, Texas, heads NMSC's new ROTC program.

ROTC Completes Its Initial Year

Reserve Officer's Training Corps, under the direction of Colonel John F. Gerrity, was introduced into the College curriculum fall semester. Juniors were enrolled in the advanced ROTC program and attended summer training camp at Fort Benning, Georgia.

NMSC was one of the 15 colleges chosen from 100 applications submitted to the United States Army Department for the ROTC program '69'.

Approximately 624 freshmen were taught military history, weapon, equipment, and leadership techniques, operations, and basic fundamentals of the Army, as well as the basics of the other armed forces. Students completing the four years will be commissioned 2nd lieutenants in the Army.

Freshman rifle teams were able to practice at a new seven point .22 caliber range which included automatic target transports and safety modifications necessary to reduce sound.

Margaret Ann Milder, the first coed to enroll in NMSC's ROTC program, receives instruction from Captain Joe Huddleston.

Colonel Gerrity reviews the new cadets on the tennis courts/parade grounds south of Campbell apartments.

Military personnel of the ROTC unit are shown conferring on logistic matters for the support of the ROTC unit. Left to right, Staff Sergeant Benny C. David, Ft. Sill, Oklahoma; Captain Roy A. Mike Thornberg, recipient of NMSC's first four-year ROTC scholarship, is sworn in by Colonel Gerrity.

The NMSC ROTC Cadets stand in formation during one of the regular training sessions at the College tennis courts. These sessions, held on Tuesdays and Thursdays, enable the cadets to develop precision in close order-military drills.

ROTC Cadets participate in the raising of the colors immediately before Bulldog home football games.

Dr. Walter Ryle Continues Writing

Dr. Walter H. Ryle III, President Emeritus of NMSC, is involved this year in two major projects concerning the college.

The first of these projects is the writing of the school's centennial history, 1867-1967. From his office in Kirk Memorial, Dr. Ryle gathers historical information necessary in the preparation of this, his sixth book. Utilizing the college Missouriana collection, information from various alumni, college archives, and old college publications, Dr. Ryle has completed 22 chapters of the history.

Dr. Ryle's second project concerns the restoration of the NMSC campus. Working with the college maintenance department, Dr. Ryle is involved in a program for the beautification and rejuvenation of NMSC. Supervising landscaping and overseeing the operations of the greenhouse are among his duties in this field.

Following a day of research in the College museum, Dr. Ryle leaves the Rotunda of the Kirk Memorial.

Behind his desk in Kirk Memorial, President Emeritus Ryle prepares more copy for his historical book about the College.

Dr. Ryle continues to show his interest in campus landscaping as he views a variety of flowers in the greenhouse.

ACTIVITIES

Student Council Now Student Senate

Responsibility for the ruling of student body activities fell to the Student Senate, headed by Paul Craig, president and Kenneth Sykes, advisor. Assisting Craig in administrative decisions were his fellow Senate officers elected during Spring elections: Ron Sterchi, vice-president; Brooke Williams, secretary; Cathy Brennecke, treasurer; Mary Jo McClintock, councilwoman #1; Linda Cagle, councilwoman #2; Dan Brooks, councilman #1; Dean Nickens, councilman #2; and Rich Beard, councilman-at-large.

According to the new constitution which was adopted last spring, the Student Senate is to "promote the general welfare" of NMSC students. Throughout the year, the Senate has worked with the Student Union Board to sponsor activities and promote ideas and changes that would be beneficial to the students.

Homecoming activities were sponsored by the Homecoming committee this year, but the Senate provided the funds for the coronation expenses, prizes for the parade, and for the Homecoming dance.

Senate President, Vice-President Resign

The annual Christmas dance featuring the 'Impassions' was sponsored by the Student Senate. Other activities that the Senate sponsored were the Fun Festival in February and Twirp Week in April. Attractions found on campus during the Fun Festival weekend were a carnival, movie, jazz festival, dance featuring the Willie Mitchell Band, and a faculty-student basketball. The Senate also supplied money for new cheerleading uniforms, films for Black Week, and a guest speaker for SYNAPSE, the campus literary magazine.

Throughout the past year, the Student Senate had student representatives working with members of the faculty on the Lyceum, Planning and Development and the Day of Dialogue Committees. Through this representation, the students gained an increased voice in campus affairs.

In February, the Senate was shaken by the resignations of Paul Craig and Ron Sterchi, the former leaving his post due to an "educational commitment" and the latter for his responsibility to the College basketball program. These decisions left the chairmanship of the student government to Brooke Williams.

Student senate holds its meetings in the Student Union on Monday evenings at 5:00.

The Student Union Board, finishing its first full year on campus, has as one of its responsibilities the planning of Homecoming Coronation Ceremonies.

Union Board Has Busy First Year

An innovation for NMSC, the Student Union Board was formed through adoption of the Student Association Constitution in the spring of 1969. Some of the Board's first activities were sponsoring Friday night dances and movies. The Board worked to achieve greater interest in student government. Six committees make up the Board: Social, Publicity, Films, Public Relations, Recreation, and Special Events. During the first year's activities, members set as their objectives utilization of Student Union facilities to a greater extent, discovering and promoting new ideas to benefit the school and encouragement of student involvement in social, cultural and recreational aspects of the campus.

Mentors Volunteer to Assist College

Student Mentors assisted the College in a variety of ways, including Freshman Orientation activities.

Sponsored by Dr. William Kunzler, the Student Mentors served the campus in a service capacity for a number of years. Activities included assistance with freshman enrollment, Parent's Day, and also Senior Day in the spring.

Mentors are upperclassmen volunteers who must have two faculty recommendations before they are finally selected by the Director of Student Personnel Services. Usually Student Mentors are appointed for one year, but may be reappointed to serve for a succeeding year or until graduation.

Cardinal Key Initiates 19 New Members

After initiating nineteen new members in the fall, Cardinal Key began its program of service to the college. Cardinal Key coeds sold Homecoming buttons to finance the annual Nan E. Wade Scholarship. The Christmas trees in the Student Union lobby and in the library were a result of their decorating abilities. Other activities were co-sponsorship of the Home Library Contest and organization of the spring reception for women honor-roll students.

In November, members sent a representative to the National Cardinal Key Convention in Flagstaff, Arizona. The club's sponsor, Miss Leona Whitton, served as Cardinal Key National Advisor and member of the National Board of Governors. In the spring, the organization presented the annual Agnes Slemmons Scholarship to a woman doing graduate work in English.

Karen Yackley and Sherrie Walker pose for the camera before a Cardinal Key meeting on campus.

Blue Key Spotlights Service Activities

Co-sponsoring the Red Cross Bloodmobile was a new project for Blue Key this year. Other projects included directing the Homecoming parade, distributing the student directory and maintaining the travel board.

Blue Key members also sponsored the College Campus Bowl and conducted tours on Senior Day. With a membership of 20 in 1969, Blue Key's service activities were based upon the motto, "Serving, I live!" Membership requirements included scholarship, leadership and faculty recommendations.

Assuming one of the responsibilities of Blue Key, member Jim Pollard facilitates the supervision of the annual Homecoming parade.

J.C. Penney Is Business Club Member

The Business Administration Club, organized in the fall of 1966, is presently in its third year after receiving its charter at its annual spring banquet in 1969. In the fall of 1969, J.C. Penney accepted membership in the club. He was the featured speaker at the spring banquet of 1970.

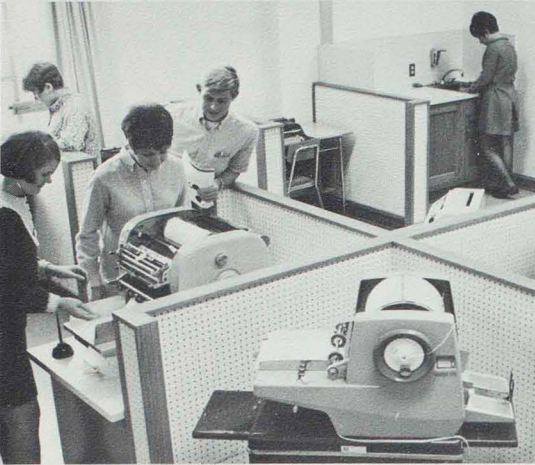

Dr. Paul O. Selby, Dean of Instruction Emeritus of Northeast Missouri State College, was made honorary member of the Business Administration Club at a 1969 banquet.

Other activities for members this year included: sponsoring a free all-school dance, hearing noted speakers at regular meetings, and tours of various Missouri businesses.

To become a member of the club, a student must be a Business Administration major, have at least a 2.0 grade point, and be in good standing.

Highlighting a successful year, J.C. Penney, founder of the J.C. Penney Company, becomes a member of the campus Business Administration Club.

Business Society Fosters Fellowship

Future business leaders practice diligently on office machines.

Pi Omega Pi, National Business Education Society, was founded on the College campus as Alpha Chapter in 1923 by Dr. P. O. Selby, Dean Emeritus. It serves to bring together present and future business educators and to provide professional fellowship.

A Christmas party was held in the home of Dr. and Mrs. Robert Sprehe, co-sponsor of Alpha chapter, for all members. Candy was made for the annual candy sale which was held shortly before Christmas.

Pi Omega Pi's project for the spring semester was the forming of an alumni directory, and the distribution of this directory to all alumni.

Presently, Pi Omega Pi has a membership of 28,000 with 123 chapters in 34 states. The present membership of Pi Omega Pi on this campus is 50.

English Club Attends Theatre Plays

Activity highlights this year for the English Club included a traditional afternoon tea for the Language and Literature faculty, discussions by English student teachers, featured guest speakers, and attendance of noted theatre productions.

Organized in 1963, the English Club strives to alert members to current teaching problems, and encourages reading, writing, and interpretations of literature.

The English Club is open to all students, faculty, and staff, and is affiliated with the National Council of Teachers of English.

Spanish Studied By Romance Students

Romance Language Club members had a busy year working to improve their mastery of the Spanish language, and their knowledge of Latin American culture. Highlights for the club this year included several parties, guest speakers, and a Spanish exhibit in the Student Union.

Last summer several club members traveled and studied in Mexico for six weeks, and reported on their activities and experiences to the other members of the organization. Everyone is encouraged to travel, if possible, in the Latin American countries to obtain direct experience in speaking and communicating in Spanish.

Under the sponsorship of Dr. Humberto Alvarez, and Dr. Joaquin Penalver, the Romance Language Club is open to all students. Songs, dances, poems and games are enjoyed at the meetings, as well as lectures and discussions.

The Student Council for Exceptional Children discussed methods of teaching exceptional children and worked with them at the Diagnostic Clinic. All special education majors or anyone interested in working with exceptional children may belong to SCEC. One of the organization's busiest projects was the selling of paper mache Christmas trees, angels, and other Christmas-time figures. The proceeds from this project were used to finance the annual trip to the national convention in Chicago.

ACE Programs Explore Student Creativity

With membership reaching 110 for 1969, the Association for Childhood Education found numerous opportunities for worthwhile activities. Programs included a book review, a discussion of sex education in the elementary school, and a visit to the Kirksville Diagnostic Clinic. Team teaching, year-round school, and ungraded classrooms were some of the topics presented by guest speakers.

Members also investigated student creativity, social studies for primary-level classrooms, and methods of keeping teacher records. The Elementary Majors Chorus entertained the ACE at a Christmas party, which was attended by the children from the Kirksville elementary schools.

SNEA Members Attend Joplin Meeting

An enthusiastic drive for membership brought the number of SNEA students to an impressive 299 this fall. Students' National Education Association held an all-school dance during the first semester. A project for the year was organizing Future Teacher Associations in surrounding high schools.

Many of the SNEA members attended the regional convention in Joplin, Missouri, meeting members from Missouri, Oklahoma, Texas, and Kansas. The SNEA year's program closed with the spring officer's initiation banquet.

A goal of SNEA members is to influence more students to become public school teachers.

Kappa Omicron Pi Celebrates Founders' Day

Beta Nu chapter members of Kappa Omicron Pi worked hard this year to achieve their motto: "Prove all things; hold fast to that which is true, and the truth will make you free."

Members of the club this year held their annual Founders' Day activities, and as a money-making project, participated in a "Mending Day."

To be a member of Kappa Omicron Pi, a student must have a 3.0 honor point ratio in a minimum of 8 hours of Home Economics, and must maintain a 2.5 honor point in all other courses.

Home-Style Christmas Is Major Colhecon Event

Costumed as hobos, Colhecon held a get-acquainted meeting for new members. After this informal beginning, the old and new Colhecon members held a series of activities. Group effort resulted in a float for the Homecoming parade. They planned a Christmas Bazaar and a Home Style Christmas party. For high school students interested in a Home Economics major, Colhecon sponsored a Hospitality Day. Their spring banquet honored graduating seniors.

Christmas Bazaar activities included a gift sale for Colhecon members.

Oral Interps Provide Entertainment

New members of the Oral Interpreters presented a Halloween program, opening the year's schedule for the club. Reader's Theatre presented a program the following month, reading works by Shirley Jackson and Ray Bradbury. John Van Durten's comedy on witchcraft was presented in December.

The Annual Christmas program was "Garlands for Christmas" this year, including various works presented by students and Dr. Elizabeth Worrell. Oral Interpreters presented a special program in Trenton, Missouri and individual readers participated in the festival at Terre Haute, Indiana in March. Members also attended the Hawthorne Festival at Columbia, Missouri and the Ozark Festival in Cape Girardeau, Missouri.

College Players Present Stage Variety

Talent and rehearsal are important in good stage production.

"Volpone", "Archy and Mehitabel", "Come Back, Little Sheba", and "The Knack and How to Get It", were productions of the College Players during the past year. Showing an adaptability to several forms of theatre, the College Players also presented a living theatre at Thousand Hills State Park, wrote and sponsored a production in May, and in cooperation with the Fine Arts Department, presented an opera.

To give their productions an air of professionalism, the Players made cloaks for the ushers and started to serve refreshments at plays.

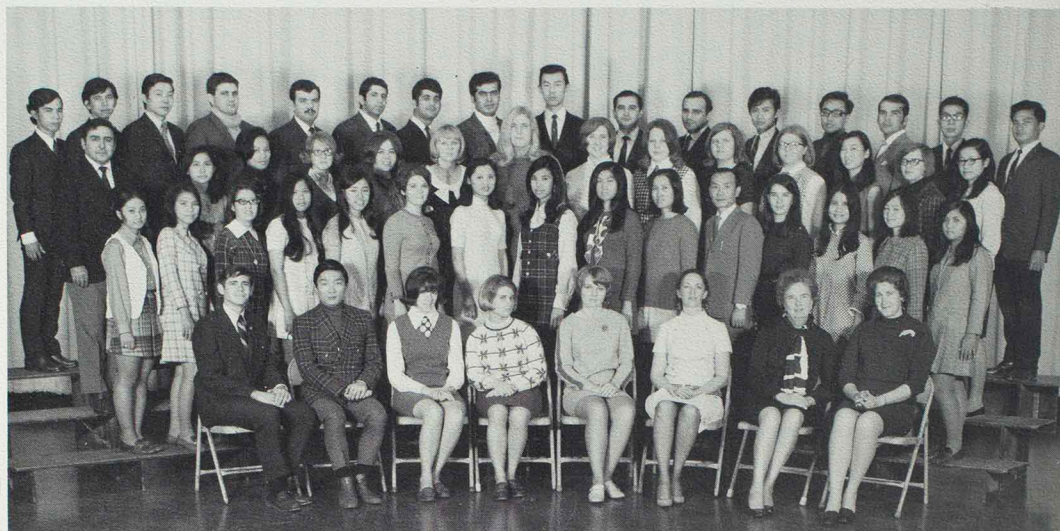

College Players also sponsored the Film Club, an organization which brings outstanding movies to the college.

The year closed with the College Players taking a trip to St. Louis to view a theatre production.

International Students Sparkle In Parade

International Club added color to the Homecoming parade this year. Members marched in their native costumes and carried their national flags. Students from 28 countries and the United States joined together in a Christmas party, a talent-variety show and a spring banquet.

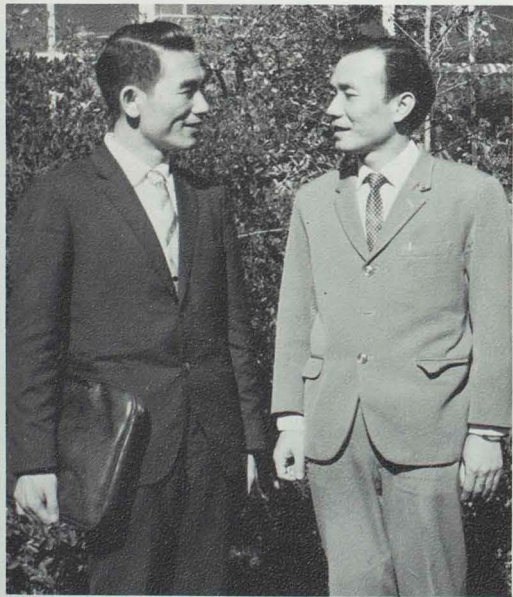

In addition to planned activities, Internationals worked to promote friendship and understanding among the student body. Members attempted to share different cultures in order to foster good will among representatives of all nations.

APO Assists Frosh In Registration

Epsilon Chapter to Alpha Phi Omega assisted the Kirksville chapter of the Junior Chamber of Commerce and several local scouting groups during the year. The year's projects were opened by arranging the pre-game activities, distributing an events program for homecoming, and providing assistance with the Homecoming parade.

Social activities were highlighted by sponsoring the annual Ugly Man contest. United Fund and the Heart Fund received the proceeds from the contest.

Under the direction of Arthur Harrington, Epsilon Chapter was chosen as one of the outstanding chapters of Alpha Phi Omega in the United State for the last two years.

APO members work diligently assisting students during enrollment and registration.

"Confronting the Issues," Kiwanis International theme for 1969-1970, challenged Circle-K to effective service, especially participation in the Missouri-Arkansas District Project. The project was formed to earn \$2500 for Biafran aid. As community projects, the Circle-K members worked at nursing homes, providing a Santa for residents, among other services. The organization also sponsored disadvantaged youth programs. As a college service, Circle K provided coat checks for Lyceum programs.

Donald Milliken Leads Phi Delta Kappa

President Don Milliken led Phi Delta Kappa in its monthly meetings during the academic year and weekly meetings during the summer sessions.

Phi Delta Kappa began in 1910 as a consolidation of three interdependent fraternities at Indiana University, Columbia University and the University of Missouri. Campus chapters are now found in colleges and universities throughout North America where graduate work is done. Students selected for membership are not always graduate students but at NMSC the local requirement is that they must have had one quarter of graduate work with superior grades.

Since its beginning in 1928, the campus chapter has initiated more than 500 men.

Promoting free public education as an essential to the development and maintenance of a democracy is the chief purpose of the international honor fraternity for men in professional education. The organization is based upon the cornerstones of leadership, service, and research.

Officers for the 1969-70 year were: Don Milliken, president; Larry Boleach, first vice-president; Gail Albright, second vice-president; Emil W. Green, secretary-treasurer.

Alpha Phi Sigma Starts Scholarships

Alpha chapter was honored to host a national convention of Alpha Phi Sigma, which featured a presentation by national president, Dr. James Nielson. At the meeting, Dr. Max Bell of the Science Division was named national vice-president as sponsor of the NMSC chapter.

Two scholarships of twenty-five dollars each were established for the member having the highest grade point for a semester, and the member showing the greatest increase in honor-point ratio.

Other projects were the annual Spring Banquet and the donation and planting of a Douglas fir on the college grounds. Contributing to this year's meetings were several enlight-

ening discussions by faculty members on how to promote and maintain scholarship.

Originating at the College in 1934, the fraternity has continuously stressed academic superiority. Membership requirements for the national honor fraternity are having a 3.0 honor-point ratio for two consecutive semesters, regardless of one's academic field. One could become an associate member if he ranked in the top ten percent of his high school graduating class. Then after completing the requirement for college membership, he may join the national organization as a lifetime member.

Young Democrats Sponsor Debates

Chartered in 1960, the Young Democrats was the first political organization on campus dedicated to furthering the aims of the national party. In addition to serving as the campus initiator of political debates, the club sent three representatives to the Missouri Inter-Collegiate Student Legislature, which was co-sponsored by the Young Republicans in May.

One of the more elaborate undertakings of the Young Democrats consisted of the scheduling of a series of debates between prominent Democrats and Republicans in the state government. Among those politicians participating were Minority Leader R.J. King, Representative Steve Burns, and Senator Earl Blackwell. With speakers of this caliber, the Young Democrats hoped to stimulate more political interest on campus.

Congressman William Hungate, Representative from the ninth Missouri District, keeps in close touch with the Young Democrats.

Association Promotes Black Unity

Organized in the early part of 1969, the Association of Black Collegians served as a common cultural and social center for the black students on this campus. In an effort to give the black students a sense of direction and self-identity, the association utilized the idea of social unity to alleviate the alienation which is a part of the black man's existence.

Sponsored by Robert Heyen, the Association engaged in various activities on campus. In addition to participating in Homecoming activities and other social events, members established a workable tutorial program for those blacks who felt a need to seek educational assistance. The celebration of Black Week in February served as the high point of the year's activities, with plans for more such activities in future years resulting.

President Eli Mittler kicks off Black Week by buying the first booster button from John Moore.

Speech Pathologists Organize On Campus

SPO members entertain children during pre-kindergarten classes.

In its first year at NMSC, the Speech Pathology Organization assisted many of those people concerned with furthering their knowledge and treatment of communicative problems.

The Organization is open to those interested or majoring in the field of Speech Pathology. It makes use of the Speech Pathology facilities at Violette Hall.

Sponsored by William D. McClelland, the Organization's objective is to increase the number of Speech Pathology majors and create in them a deeper interest in the field. The result of this effort has been a large upsurge in the number of clock hours spent in clinical work.

Uses of the Clinic itself include: 1) provisions for clinical experience for students majoring in Speech Pathology; 2) provision for various clinical services for those with communicative disorders; and 3) promotion of research in the areas of speech, hearing and language development and problems resulting from the delay, breakdown or misuse of the functions.

KME Launches Tutoring Program

Launching a tutorial program for math students was a major accomplishment of Kappa Mu Epsilon this year. Special Spring activities included a barbecue at Thousand Hills State Park and the Regional convention, attended by several club members. Senior students and faculty members presented the programs.

Kappa Mu Epsilon organized on this campus last year from the Googoplex Society, present at NMSC since 1966. KME is a national honorary mathematics society, with memberships based on scholarship in mathematics and overall grade point average.

Y.E.S. Aids Western Illinois Chapter

Young Engineers and Scientists, under the leadership of President, James Maddex, worked to promote the interests of science and engineering in Kirksville and the surrounding area. After launching a membership drive to increase local chapter participation, the group was instrumental in organizing a chapter on the Western Illinois Campus at Macomb. Group projects for the year consisted of judging various high school science contests, working with college science instructors to promote science seminars, and the sponsoring of the annual Missouri Y.E.S. Convention in April, 1969. Also, the group sponsored a spring contest in various scientific fields for high school students.

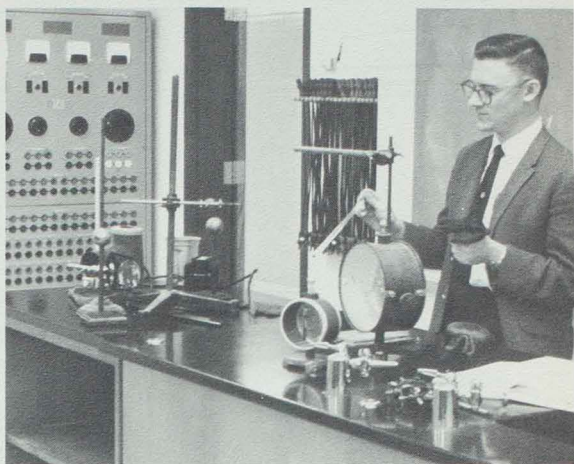

Pre-Os Members Attend Anatomy Demonstration

The Pre-Osteopathic Club offers its members a professional as well as social program. Under the sponsorship of Dr. John D. Black, club members constantly strive to learn and understand the rapid changes occurring in the medical sciences.

This year's activities included human anatomy demonstrations at KCOS, lectures and demonstrations by visiting professional men from various colleges and universities, professional movies, and worthwhile community projects such as blood donations.

The club also held a Christmas Banquet, a spring picnic at the lake, and attended many activities sponsored by the KCOS fraternities.

Members must have a major in pre-osteopathy, and be interested in learning more about the profession.

Sigma Zeta Entertains Guest Speakers

Majors or minors in the science field had the opportunity to hear guest speakers in science featured by Sigma Zeta. The organization is a national honorary science society. Social activities included a spring banquet to welcome new members and close the year's schedule.

Active membership in Sigma Zeta is available for juniors and seniors in science who have maintained good scholastic achievement and have interest in furthering the field. Associate membership is possible for freshmen and sophomores demonstrating potential for fulfillment of the requirements.

Club Develops Skill In Amateur Radio

Established in 1966, the student Amateur Radio Club consists of eight members who are deeply interested in amateur radio. Sponsored by Dr. Robert Peavler, the organization attempts to satisfy a campus need for amateur radio, and to bring about national and international cooperation.

An interest in short wave listening is the only basic requirement for membership; through the club, it is possible for the members to obtain a beginning general, or higher grade license.

Ag. Club Captures Judging Championship

A campaign for new Ag. Club goals increased the members participation in agricultural activities and enlarged their plans for improvement of the division on campus. Steering toward proficiency in judging livestock, representatives went to the Northwest Missouri State College judging contest at Maryville and won first place in the livestock department. A team from NMSC competed in the Chicago International Livestock Exposition.

The Agriculture Club decided to support an increase of staff members to teach agriculture and to back the plans for a College Farm. Members worked on preparing for transferral of the agriculture division to the old I. A. building.

Collegiate 4-H Opens Door To All Students

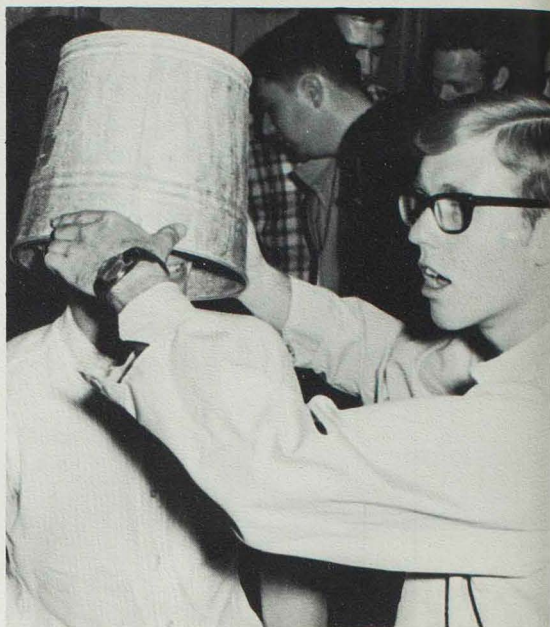

"To make the best better" was the '69-70 goal for the Collegiate 4-H Club. Members this year participated in a square dance, Christmas party, and worked on a float for the Homecoming Parade. Other highlights included social activities, films, and guest speakers at various meetings.

Sponsored by Dr. Charlotte Revelle, the club is dedicated to helping the College and community in any service projects which need assistance. All students interested in 4-H work are eligible for membership.

I.A. Float Dominates Mechanical Category

Champion float builders, the Industrial Arts Club, won another Homecoming trophy this year as the entry took first place in the mechanical division. Other highlights of the year were the appearance of speakers prominent in the field of Industrial Arts. Their talks were directed to encourage club members to increase their professional interest in their majors.

Functioning as a social-professional organization, the Industrial Arts Club served in its 29th year on the NMSC campus. It has served to broaden talents and ideas in the field of Industrial Education.

Veteran's Club Boasts Fifty Members

Established in 1966 in honor of the first graduate of the College killed in the Viet Nam War, the Ronald K. Cullers Memorial Veteran's Club served as a base for ex-service- men attending school. With representatives from every branch of service, membership consisted of approximately 50 men.

Their various campus activities included second place in the tug-of-war competition, fall dances and a spring lake party. The Vets entertained the underprivileged children in the Kirksville area by providing gifts and Christmas spirit at their annual Christmas party.

College Ushers Serve At Programs

College Ushers, wearing their basic black attire accented with purple and white carnation corsages, provided service in assisting patrons of various College programs held in Baldwin Auditorium and in Pershing Arena.

Courtesy, vivaciousness, and beauty were three attributes displayed by the hostesses as they ushered throughout the year. The first activity ushered by this group was the Lyceum program featuring "The First Edition" in Pershing Arena. Other programs to which they extended their services included the St. Louis Symphony Orchestra, the play entitled "Rosencrantz and Guildenstern are Dead", "Les Danseurs Africaines" and the Norman Luboff Choir.

Closing the activities for the year was their serving at the Commencement exercises.

Organized in April, 1959, with the opening of the new College Auditorium, the College Ushers have been serving as ushers for numerous College functions. Basically the group has been present for Lyceum programs, concerts, commencement activities, and other all-school affairs.

Nurses Hear Ross Laboratories

Several student nurses attended the State Student Nurses Convention in Kansas City, November 10 and 11. Members enjoyed various other activities through the year including a presentation by "Ross Laboratory".

One of the nurses major objectives was service projects. They assisted in activities such as the Red Cross Bloodmobile. The organization combined efforts and produced a Homecoming float this year also, representing the Student Nurses support of the Bulldogs.

Men's Dorm Council Organized at NMSC

Serving as a voice for dorm residents, the Men's Dormitory Council was organized in the fall of '69. This body functioned to improve campus life and to influence student control of dormitory life.

The council formulated policies governing mens' residence halls and established a court which permitted student participation in disciplinary cases. Other council activities included the sponsoring of dances.

Dr. Eli F. Mittler receives his personal, laminated Men's Dormitory Council card from MDC president Denny Merritt as Dr. William Kunzler looks on.

Women's Dorm Council Plans Activities

The Women's Dormitory Councils of Ryle Hall, Centennial Hall, Grim Hall, and the Panhellenic Hall, under the guidance and supervision of Dean Rita Gramman, planned and carried out individual dormitory activities throughout the year. Among their activities was planning the individual dormitory Christmas parties and door decorating contests. They also did any decorating within the dormitory for Homecoming and various holidays. All of these activities were financed by dormitory dues which were collected within each dormitory yearly.

Elections for the officers were held in the spring for terms beginning the following fall. Women serving as officers of the council must be of sophomore class standing and have an honor point ratio of at least 2.5. Floor council-women are elected in the fall and must also be of sophomore status with an honor point ratio of at least 2.2. All of those serving on the council must have been a resident of a dormitory prior to their election.

This year the councils were in the process of forming an organization which will unite all women on campus, so that they may work more closely together as the campus continues to grow.

Women's Dormitory Council keeps these dorm dwellers happy.

Choirs Provide Quality Entertainment

A Christmas Concert was the Clarinet Choir's major activity for the year. During the Spring, the group made their annual tour to various high schools in the Northeast Missouri area.

Under the direction of Dr. Richard Weerts, the nineteen members of the choir became acquainted with good musical literature, and, by playing in the small ensembles, were able to learn group musical expressions.

During the past years, the Clarinet Choir has performed at the 1965 New York Worlds Fair, the 1967 Canadian World

Exposition at Montreal, and the 1964 Missouri Music Educators Association Convention in Kansas City.

Directed by Dr. Harold Copenhaver, the Brass Choir worked on various small ensemble numbers. In its fifth year on campus, the Brass Choir offered high quality performances in various programs.

The Brass Choir joined the Clarinet Choir in special concerts throughout the year and participated in high school tours.

Sinfonia Performs For All Occasions

Activities of Phi Mu Alpha Sinfonia expanded during their second year on campus. As an international music fraternity, the Sinfonias provided various musical services. Each Sunday night, the Phi Mus were heard on a local radio program. At the Student Council Fun Festival the fraternity added their own jazz festival, inviting musicians from other colleges and high schools to participate.

During the year Phi Mu Alpha played for dances on campus, such as Homecoming and provided big and small dance bands, brass groups and vocal music for other activities.

The fraternity membership includes music and non-music majors in vocal and instrumental capacities.

W.R.A. Keeps Girls In Shape

Christmas found each girl with the same wish.

W.R.A. began the year with a get-acquainted party to introduce its activities and purposes. Both intramural and extramural teams were sponsored by the Women's Recreation Association. Extramural teams in basketball, softball, volleyball and field hockey participated in state tournaments and played several area colleges.

Intramural activities included volleyball, basketball, softball, badminton, table tennis, archery and a tug-of-war. Members held a Christmas party as a major social event, and a spring banquet closed the club's program for this year.

Intramural basketball was a popular W.R.A. sponsored project for the school year.

Athletes Improve Stature and Spirit

Appearing for the first time this fall was the new athletic emblem, an "M" with NE and STATE on it. Another change for the lettermen was a change in the club's rank, moving to an equal position with all Missouri Intercollegiate Athletic Association clubs.

Varsity Club men worked to improve and uphold Bulldog spirit at sports events and off the field. The lettermen participated in after-game dances and sponsored the banner displayed on the east wall of Pershing Arena. An annual activity is the presentation of the R.E. Valentine Memorial Scholarship.

Men's PEM Club

Nationally

Chartered

Acknowledgement of the Men's Physical Education Club came this year when the club was chartered by the A.A.H.A.P.E.R. During the year, members viewed films and heard guests speak about the field of physical education. Each semester the club offered the Richard Rhoades Scholarship to a club member demonstrating scholarship and dedication to the club and the field of physical education.

The primary objective of the club is service to the college and development of professional leadership for men majoring in physical education.

Beta Tau Delta Shows Skill And Enthusiasm

Kicking off the Homecoming Parade with new uniforms, and flashing batons, the high strutting girls of Beta Tau Delta initiated a challenging and rewarding year. Highlights of the year were twirling for half time shows during basketball season, trips, and several of the girls will take part in the 20th Annual Baton Twirling and Cheerleading Clinic which will be held in June on the campus. Kathy Wagner was named by Beta Tau Delta as "Miss Baton for Missouri" at the Spring Award Party and will be honored at the summer clinic. Socially the girls had several Coke parties, twirling sessions, dinners, and other activities. Activities are stationed around their motto "Where twirling links learning to living."

Beta Tau Delta sorority and Beta Tau Alpha Fraternity, National Honorary organizations were founded on the College campus in 1959 under the guidance of Dr. Walter H. Ryle by Mary Evelyn Thurman, Physical Education instructor, who was named by the National Baton Twirling Association as "The Teacher of the Year". Miss Thurman and Miss Giovannini are sponsors of Beta Tau Delta.

New Uniforms Brighten K-Dettes' Performance

Selected on the basis of agility and skill in marching and maneuvers, members of the K-Dettes must try out before a panel of faculty and student members at the beginning of the year.

These girls provided entertainment for the students at football and basketball games by displaying precision marching and drill techniques; they also performed in the Homecoming Parade. One of the basic goals of the organization is to help promote school spirit and enthusiastic support for College athletic teams.

Productive Year For Synapse Staff

Synapse, NMSC's Campus literary magazine, entered its second year of publication featuring a newly introduced visual arts section. Distributed in mid-spring, the magazine includes examples of student poetry, prose, painting, sculpture and photography.

Poems and short fictional works were selected by the *Synapse* Board of Literary Critics, headed by Henry Shebitz, poetry and prose editor, while Goldie Gilbert and the Art Staff chose the visual artwork. Organization and coordination of the staffs depended on the leadership of managing editor Pat Reilly and the advice of the magazine's sponsor, Terry Moser.

In order to make the students more aware of the many facets of the creative arts, Ron Bayes, poet-in-residence at South Carolina State gave a reading of his own poetry and attended several creative writing classes, reviewing and criticizing student poetry and prose.

Mission '70 Inspires B.S.U. Activities

Mike Stark visits campus, sponsored by the Baptist Student Union.

Out-of-town guests headed special programs at the Baptist Student Center. The Reverend Mike Stark from New Orleans visited during the fall, and Dr. Emmanuel McCall arrived from Atlanta, Georgia, in the spring. Members found opportunity for travel and Christmas inspiration with the occurrence of Mission '70 in Atlanta, Georgia.

The Baptist Student Center provided facilities for various campus groups. Sorority rush and pledge functions, K-Dettes' chili suppers, Student Nurses and Band activities, Thai student events, and Girl Scout meetings took place in the B.S.U. this year.

Wesleyans Seek Religious Growth

Wesley Foundation, the Methodist unit of the United Campus Ministry, seeks to develop religious growth within the college campus. A major event this year was the Open House and the consecration of the Wesley House, the new student center. Though Wesley Foundation functions are with and through the Methodist Church, its programs and activities are open to all on the campus.

The Wesley House is used for a variety of meetings, ranging from impromptu gatherings to Sunday evening speakers and discussions.

Service projects and social functions are carried out for both those inside and outside the campus community. This year students have participated in the Get-Acquainted picnic, the Halloween party, the International Banquet, Christmas caroling, a weekly recreation program for community children, tutoring, Pancake Day, the Senior Banquet and the state-wide "Spring Thing," held at the Ozarks.

Students take advantage of a few quiet moments at the annual "Spring Thing," held at the Lake of the Ozarks.

Lutherans Promote Christian Living

Formerly known as Gamma Delta, this organization changed its official name in January to the Lutheran Student Movement and serves as the campus affiliate of the international body.

Requirements for membership include only that the

person belong to the Lutheran Church and be a student at the college. A basic duty for members is the promotion of Christian living on the college campus through exemplary conduct. Activities of the year included a fall hayride and an International Night Christmas Party.

Dean Kurtz Leads State Aeolian Club

Some of this year's activities for the Aeolian Club included a field trip to a musical program and the club's annual spring banquet.

The organization was also honored by having two members as state officers. Dean Kurtz was elected president and John Malvin vice president of the state-wide Aeolian Club.

Membership in this organization is open to all students who are active and interested in music and music education.

Several Aeolian club members take part in the college chorus, directed by John Canady.

Honorary Art Club Visits Chicago Institute

Homecoming mums are sold by Honorary Art Club members as a fund-raising project.

The Honorary Art Club, under the sponsorship of William Murray, is open to art majors and minors with a 2.2 overall grade-point and a 3.0 grade-point in a minimum of 6 hours of art.

A special visit to Rembrandt's 300th anniversary showing at the Chicago Art Institute was made this year; other activities of the club included the sale of Homecoming mums, participation in the annual Fine Arts Festival, and a display of art works on the Student Union patio.

Elementary Majors Televise Program

Organized in 1962, the Elementary Majors Chorus provided opportunities for elementary majors who wish to improve on the ability to sight read, to become discriminatory in the selection of children's music, and to become aware of desirable choral techniques.

Public performances this year included a concert for the state meeting of the Association for Childhood Education, a televised Christmas program, and presentations for various civic clubs.

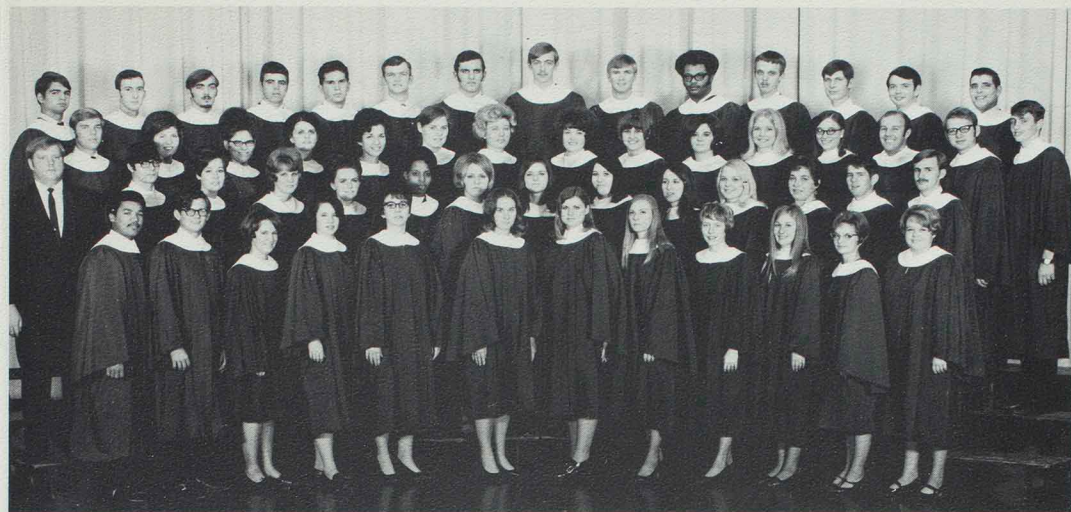

Elementary majors practice basic musical skills in preparation for future teaching.

Parents' Day Program Includes NEMO Singers

NEMO Singers made their first appearance this year on the Parents Day program. Directed by Don Canady, the singers practiced during fall semester for their Christ-mas tour to neighboring schools. Holiday spirit on the campus heightened with the NEMO's annual Christmas program, December 14 and 16. Their Christmas concert appeared on television, recorded by KTVO-TV, Ottumwa, Iowa. The group made another tour in the spring. As well as performing, NEMO's enjoyed social activities such as a fall picnic at Forest Lake and an alumni banquet at Elaine's Dining Room.

Orchestra Salutes Chausson, Sibelius

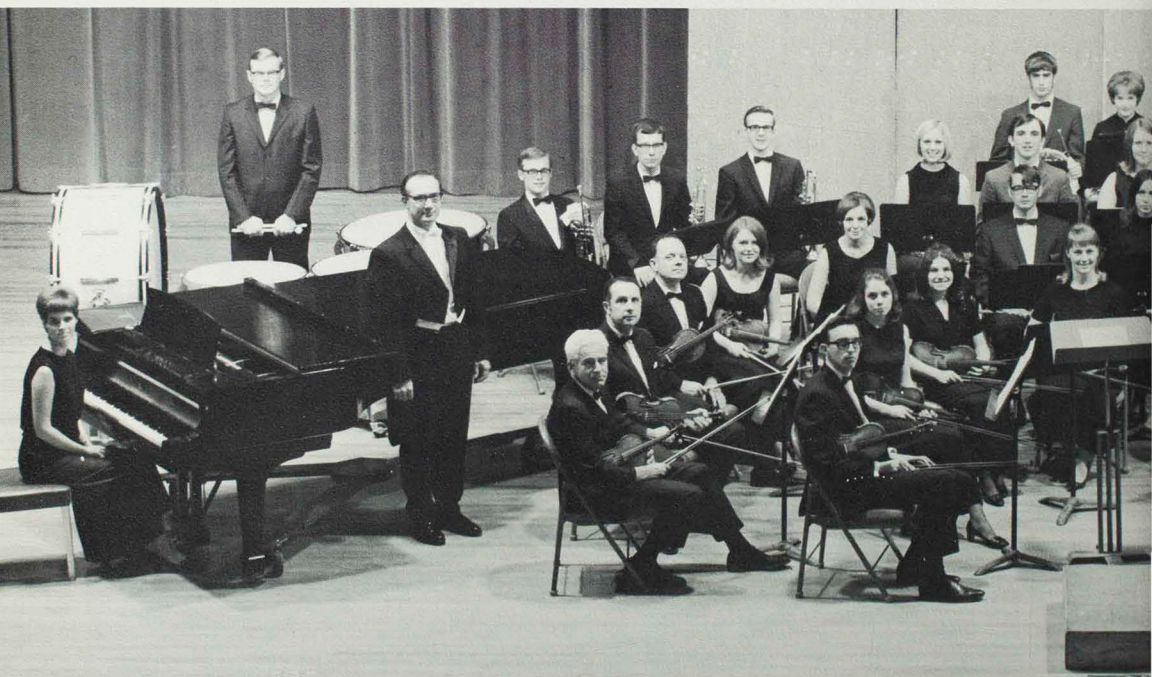

Soloists performed at various orchestra concerts this year. Seven soloists were featured at the annual concerto concert of the Northeast Missouri State College Orchestra in February. Individual performances were given by Jenita Brown, Sherry McKie, William Berry, Jeff Piper, Gloria Guinn, David Evans, and Jerry Ozipko. Each number was a

studio arrangement by a music faculty member. The concert was conducted by William Fitzsimmons and included works by Mozart, Sibelius, Verde, and Chausson.

The orchestra members presented major concerts in the fall and spring and several members assisted in the theatrical productions.

Band Performs For Music Educators

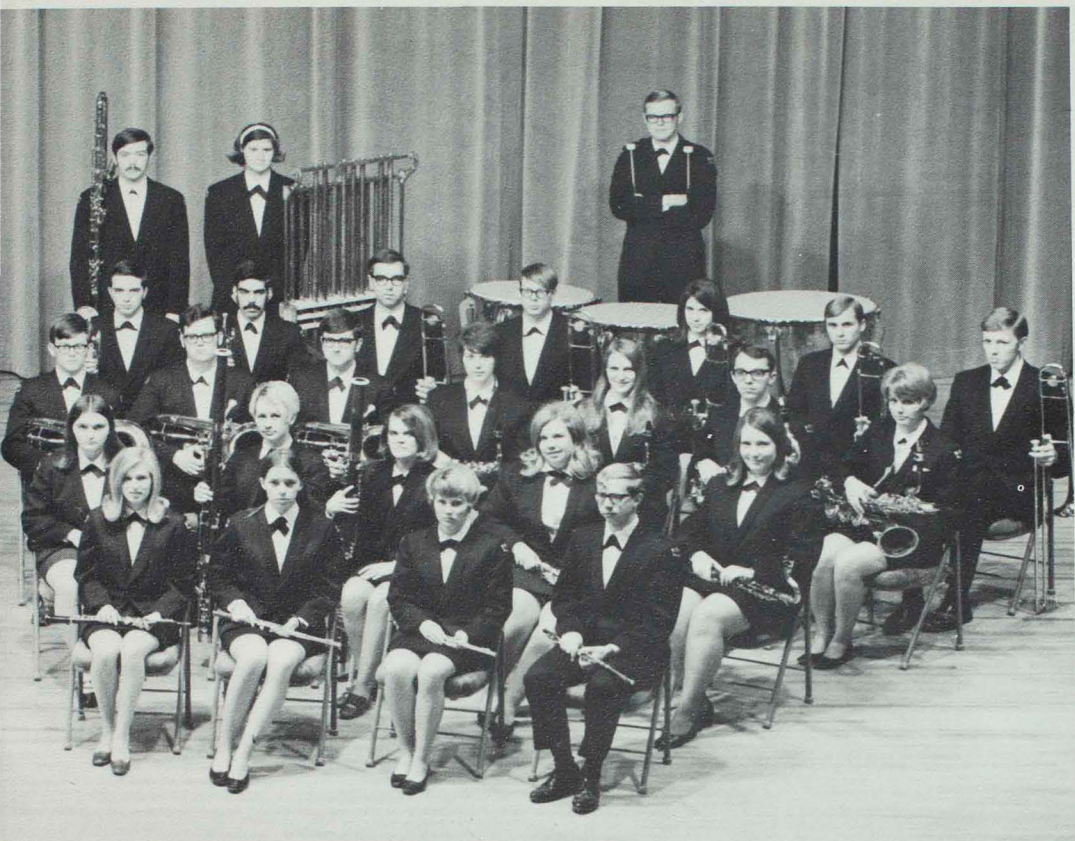

Tours, concerts, and social activities filled the Marching band's schedule this year. A major tour was taken in January. The band visited area high schools and ended the tour with a performance for the Missouri Music Educators Association.

The band members took their annual tour during semester break. Their program included "Aller Sellen," "Salvation is Created," "Psalms for Band," conducted

by students, marches, and folk music such as "Alla Barocco," and "Gentle Ballad." A post tour concert was given on campus.

A program in March was arranged and directed by student teachers in music who chose material and supervised rehearsals.

Two social activities were held during the year. Members had a fall picnic at the lake and a banquet in May.

Women's PEM Club Holds Chili Supper

The Women's Physical Education Majors Club provides opportunities for women in the field of physical education to become better acquainted with leaders, innovations, and trends on the current physical education scene. It also allows members to participate in discussions, work shops, and conventions on the local, state, and national level.

PEM club remained active on campus this year by providing lectures on various aspects of physical education, holding its annual chili supper, undertaking service projects, providing a workshop for senior high school girls and participating in the MAHPER convention, which was held on the campus.

Annually, PEM presents the Sheryl Fullerton Grim Memorial Scholarship to an outstanding woman majoring in physical education.

Council Works With Panhellenic Dorm

Composed of representatives from six sororities, the Panhellenic Council supervised and coordinated sorority activities on campus. As their first major activity of the year, the Council sponsored the Panhellenic Tea which opened formal rush activities. Co-sponsoring the Greek weekend activities with the Interfraternity Council was another responsibility during October.

Throughout the year, the Council worked with the Panhellenic Dormitory adjustments. Other changes in Panhellenic functions included adjusting the requirements of minimum hours needed to sign up for rush.

Spring activities included participation in the Fun Festival and sponsoring a workshop for campus women conducted by a professional model. The year's schedule closed with the annual Panhellenic Banquet and presentation of the scholarship cup, and the election of a "Miss Congeniality" from each sorority.

Panhellenic council members listen as President Nancy Lammert explains a new project put before the sorority group.

Fraternity council members discuss forthcoming activities pertaining to the Greek system at a weekly meeting.

IFC Coordinates Greek Olympics

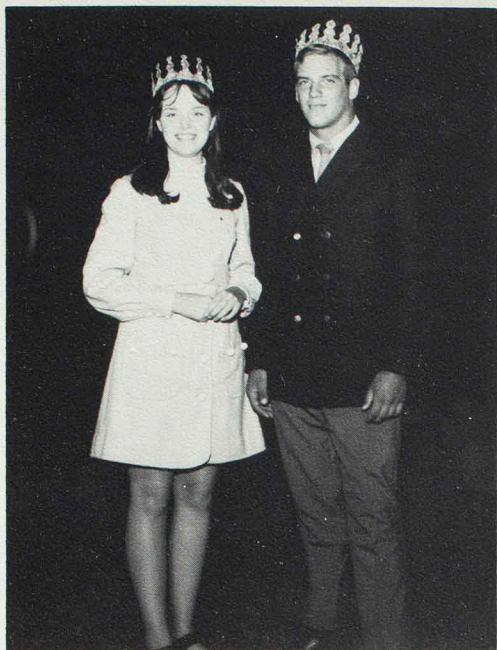

Governing and conducting fraternity rush & sign-up were two major responsibilities of the Interfraternity Council. Many new innovations were made in the rush systems due to the change to semesters, and helped result in the pledging of 240 men in the fall semester. A student, to be eligible for pledgeship, had to be in good standing with the college and carry a scholastic average of 2.0.

Other projects carried out this year were the co-sponsorship of Greek Week with the Pan-Hellenic Council, and active participation in the United Fund Drive. Members also participated in the National IFC conference in Chicago.

Sig Taus, Sig Kaps Take Top Honors

Annual Greek Week activities in the fall saw Sigma Tau Gamma and Sigma Kappa emerge victorious, after many close contests, including the egg toss, egg race, bicycle and tricycle race, tire roll, wheelbarrow race and the car stuff.

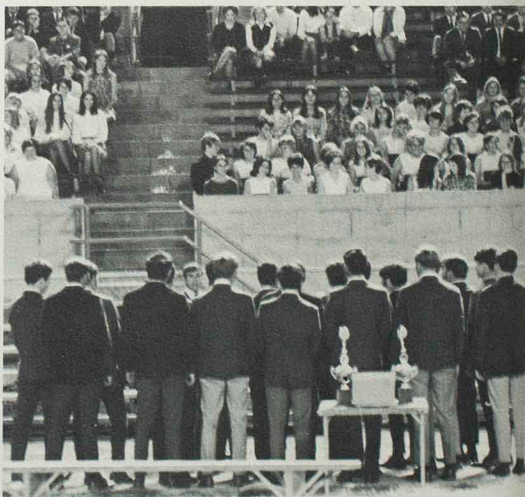

"Greek Sing" competition was won by Sigma Kappa and Phi Kappa Theta. Alpha Kappa Lambdas were first runners-up and Sigma Sigma Sigma and Delta Sigma Theta tied for first runners-up in the sorority division.

A new event for sorority competition was the "car stuff" won by Sigma Sigma Sigma. The fraternity car stuff resulted in a four-way tie.

Delta Sigma Theta Emphasizes Service

Delta Sigma Theta was founded on the campus in May, 1968, with its primary emphasis on service. Through the national program, they supported bookmobiles in the southern regions, donated books (especially on black history) to libraries, contributed to mental health organizations, screened and recruited girls for Job Corps and Peace Corps and sent teenage boys and girls on cultural trips. Their newest project is the adoption of children by various chapters.

The sorority is extremely interested in civil rights and the quest for black pride and dignity.

Social events for the year included a Christmas dance, Jack-of-Hearts dance, an anniversary banquet, and a Founder's Day banquet.

Zeta Zeta Chapter tied for second place in the Greek Sing this past year. They also participated in the Panhellenic tea in September.

Currently, there are ten Deltas and one pyramid (pledge) in Zeta Zeta Chapter.

Delta Sigma Theta pledges and actives wore their sorority costumes to their annual Christmas party held this year at the Wesley House.

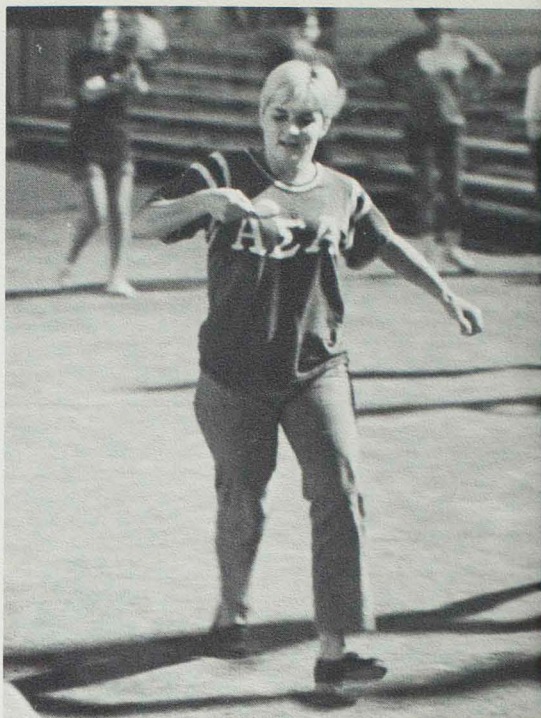

Alpha Sigma Alpha Receives Honors

Alpha Sigs began the year with the new experience of living together in the Panhellenic Residence Hall. With much enthusiasm, a year of exciting activities and pursuits followed. Jan Seals was chosen Missouri Queen of Fairs and then named Miss Kirksville to represent the city in the Miss Missouri pageant. Chosen to be members of the Bulldog cheer-leading squad were Marcia Mossbarger, Esther Skinner, and Carol Holtkamp.

Highlighting rush season were the annual "Alpha Traz" and "Southern Array with ASA" rush parties. The Alpha's finally pledged 22 girls to their fall pledge class.

Pat Trent was elected Homecoming queen, and Marcia Mossbarger, Jan Seals, Jeannie Taylor, and Judy Twillman were elected to Who's Who. Alphas named to Cardinal Key were Jeannie Taylor, Judy Twillman, and Kathy Bagley.

As a philanthropic project, Alpha Beta members donated time in helping the children at the special education school. At Christmas and at various other times throughout the year, Alphas gave the children parties.

Scholarship Cup Won By Alpha Sigma Tau

Alpha Sigma Tau actives and pledges enjoy food, games, and fun at their annual lake picnic.

Winning the President's Scholarship Cup last spring was an honor for Alpha Sigma Tau members. Dean Henry Boucher made the presentation at the annual Panhellenic Banquet. AST's achieved first place with an honor point average of 2.86. The spring "Moonlight and Roses" formal was held at the Holiday Inn. Other social events of the spring term included a Parent's Day and picnic with Phi Kappa Theta.

Alpha Sigma began rush activities this year with a Mad-hatter's Ball." Their formal rush party, "Wishing," provided an opportunity for members and rushees to join in a wishing ceremony. The close of formal rush brought 12 pledges to AST this fall. Alpha Taus were active in informal rush with three girls pledging during spring semester.

Marching Tau Toads brightened the Homecoming parade this year, "Hopping for an NMSC Victory." AST sponsored Glenda Lauer as Homecoming Queen candidate. Alumnae and collegiate members met at Elaines Dining Room for a Homecoming and Founder's Day banquet.

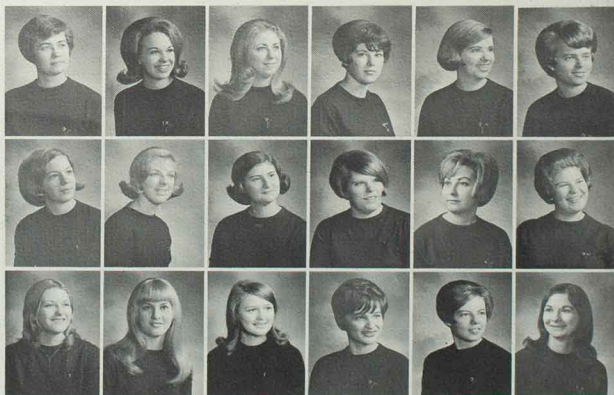

At Halloween, Phi Lambda Chis joined Alpha Sigma Tau in a skating party. Christmas activities included a party for children at the Diagnostic Clinic and caroling at fraternity houses.

Three members were Echo Queen candidates: Karen Bell, Lynn Reifert, and Mary Stout. Sharon Dawson was the AST candidate for Greek Queen.

Campus Royalty Among Delta Zeta

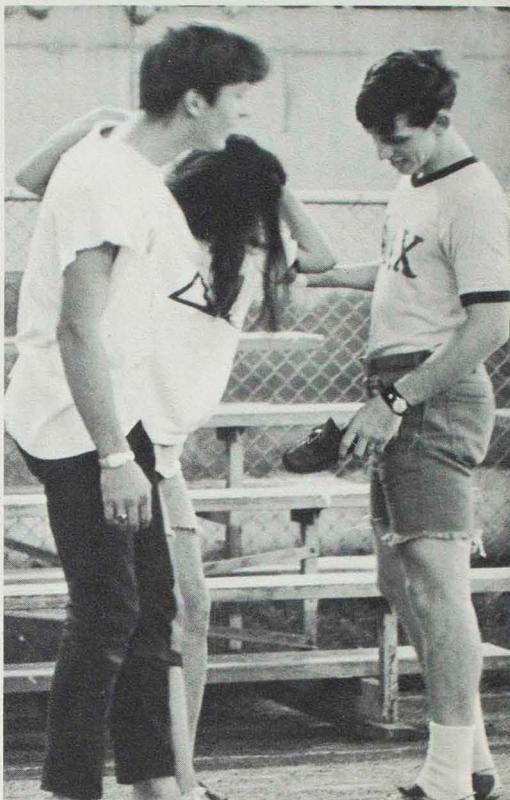

Combinations of activity, scholarship, and service led Delta Sigma chapter of Delta Zeta through its forty-first year at N.M.S.C.

"Under the Big Top" and the traditional "Rose Garden" terminated formal rush season with twenty-two coeds pledging the close sisterhood of Delta Zeta.

New pledges and actives successfully campaigned for Mindy Babbitt, who was elected homecoming queen attendant, and decorated the first place float which won the beauty division.

Dr. David March was honored as "Dad of the Year" during the annual Dad's Day Banquet. The Mother's Day Tea and Spring Formal completed the year's social activities. President Cheryl Wilson was elected to Who's Who Among Students in American Universities and Colleges.

Among philanthropic projects were the Easter Seal Drive, and the awarding of the Dr. Lucy Simmons Scholarship.

Sig Kaps Represented In Many Activities

At the turn of their first decade, Sigma Kappa won first place in the Greek Sing and the Greek Olympics during the traditional Greek Week activities. Rush season opened with informal parties and picnics and closed with the "Roaring 20's" party and the traditional Pearl Party. Taking 25 pledges, Sigma Kappa had the honor of receiving the largest pledge class on campus.

Social events for the year included attendance at smokers and mixers, pumpkin caroling, Christmas caroling, and a Christmas party at the home of the chapter's sponsor, Mrs. Howard Terry. A special "Sig Kap Weekend" was held March 7-8, and the girls enjoyed a luncheon, a banquet, and group church attendance.

Linda Krause represented NMSC at the American Royal in Kansas City, and Pam Wares and Karen Koenig were selected as ECHO queen finalists.

Rounding out a busy year's social events, the Sigma Kappa formal was held on May 2 in the Activities Room of the Student Union.

Sig Kaps win first place this year at the annual "Greek Sing", a part of the traditional Greek Week activities.

Tri Sigma Initiates 1000th Member

Sigma Sigma Sigma began a busy and eventful year with two members being elected to the Student Senate, and three to class offices: Brooke Williams, Student Senate secretary and Linda Cagle, councilwoman, Kathy Turner, sophomore class secretary, Nancy Hofer, junior class secretary, and Bev Richardson, senior class councilwoman.

Elected captain of the Bulldog cheerleading squad for the second year was Linda Cagle. Carroll Tankesley brought an impressive honor to Mu Chapter by being elected Greek Week Queen by popular vote of the fraternities. Members vocalized to tie for first runner-up in the Greek sing, and also placed first in the "car stuff".

Swinging into an active rush season with the two rush parties, "Mai Kai" and "Sigma Spotlight", the Tris captured the eye of 21 rushees.

Mu Chapter welcomed two enthusiastic new sponsors, Mrs. Naomi Roberts and Dr. Grace McReynolds, both faculty members in the Elementary Education Department.

One of the crowning points of the year for Tri Sigma was the chapter visitation of the National President, Mrs. J. Hyde Crawford. Special events of the visitation weekend included a candlelight ceremony and welcome party, conferences with officers and chairmen, and a tea to which the

student body and faculty were invited.

Roni Fulbright was selected as a finalist in Echo Queen competition. Among other honors Tri Sigma had four members elected to Cardinal Key: Linda Cagle, Shirley Hopmann, Jeanne Sparlin, and Karen Yackley. Selected to Who's Who were Phyllis Mullenix and Linda Randell.

Tri Sigs diligently sold raffle tickets to support their main philanthropic project, the Robbie Page Memorial Fund.

Shirley Hopmann added a trophy to Tri Sigma achievements as she was selected to reign as Mardi-Gras Queen at the 2nd annual Mardi-Gras Ball sponsored by the Atlas Club. Taking other sorority honors during Mardi-Gras was Lynne Richardson who displayed orange juice chugging ability, bringing to Mu the "Chug Champ" trophy.

Social events of the year included a costume Halloween party, Sigma Stable Stomp, Christmas party, a costume 2 plus 2 dance, Founder's Day celebration and Spring dinner party and dance.

Rounding out a terrific year for Sigma Sigma Sigma was the 1000th initiate ceremonies which took place at fall pledge activation. Mu Chapter was particularly honored as the second National Chapter to reach 1000 initiates.

AKL's Shatter Two Pledge Records

Alpha Kappa Lambda, America's Fraternity of Dynamic Individuals, truly lived up to its motto in 1970.

The men of Xi Chapter, under the leadership of its president, Bill Kirmes, broke two pledging records in the first formal rush. The AKL's not only shattered their National record but broke the Northeast Missouri State all Fraternity record for the largest number of men to pledge at one time.

In intramural activities, AKL's were active in fleet-ball, basketball, bowling, volleyball, handball, tennis, and badminton.

For community projects Alpha Kappa Lambda helped the local Vista organization, helped the local community center repairs toys for underprivileged children at Christmas, and community fund drives.

In social activities, the AKLs proved once more that *No Man Is an Island* at the rush smoker. The underworld was visited again by the men of Xi at their annual Go to Hell Dance. Other social activities included the first annual Homecoming Dance the Christmas party and open house for Alumni and students. During the busy year Karen Helfrich reigned as their Sweetheart.

The year came to a close as the Senior banquet recognized graduating members and culminated with their annual Spring Formal.

Kappas Steadily Increase Membership

Brothers of Epsilon Eta chapter of Kappa Alpha Psi were distinguished in campus organizations and varsity athletic competition during the past year. Harry Brown won the conference wrestling championship in the 134 weight class, and Matthew Stallings came in second in the wrestling conference in his weight class.

The Kirksville chapter of Kappa Alpha Psi took a pledge class of eight this year to raise their membership to over 20.

The officers and members worked on many charity functions. The Kappa's ranked 2nd in the Greek Sing in the fall.

New Fraternity Organized At NMSC

Omega Phi Psi began its first year on the Kirkville campus during the past year. On March 21, the members received their national charter. In honor of this event a banquet was held for members and guests.

Members of the club received many honors this year in the area of sports. John Suell was among the honored when he was named to the all-conference football team for the second consecutive year and elected tri-captain of the football team. Brother Albert Hines served as graduate assistant wrestling coach.

During the Spring semester the Omegas promoted a talent hunt for entertainment purposes for the school. They hope to make this an annual event.

President, Lee Moody, was elected to Who's Who for two years, and was an active participant in oral interpreters.

Five Beta men were selected to "Who's Who" for this school year. They were Ken Sowers, Hugh Schuetz, Al Wilson, Paul Craig, and Bob Levy.

Five Sig Taus also participated in varsity football while other Beta men participated in wrestling, baseball, and track. After winning the All-Sports Championship last year, the Taus are striving for a repeat. They began by winning the Intramural Fleetball Championship.

Red Carnation Ball Highlights TKE Year

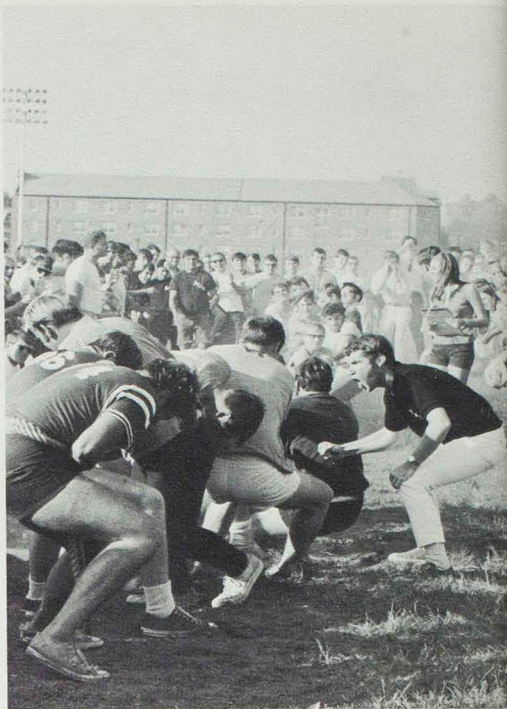

Returning to campus this year the men of Iota Gamma chapter of Tau Kappa Epsilon again set a strong pace as they participated in Intramural fleetball, tug-of-war, cross-country and basketball.

With the spirit growing stronger, TKE's again won the trophy in the Spirit Division in the Homecoming Parade, using the theme "Victory or Bust, Here and There," the theme concerning the day's game and the Viet Nam War.

As with any facet of life, one must suffer some sorrow and the men of Teke had a sorrowful experience this past year, when an auto accident took the lives of Frater Tom Clark and Frater Mike Tankesley.

TKE Brother Jim Bodine was voted "Ugliest Greek" in the K.C.O.S. Mardi Gras contest.

Going into the second semester, the Tekes planned to recapture the intramural wrestling crown, and highlight the year with the annual Red Carnation Ball and election of new officers.

Phi Kaps Leaders in Campus Community

In only two years, Mu Sigma chapter of Phi Kappa Theta has taken an active role in the affairs on the NMSC campus. Members of the fraternity have proved themselves leaders by being elected to various offices. Rick Elkin serves as president of SNEA; Larry Weede was sophomore class president; and John Koenig in debate. Students also chose Dan Brooks and Mark Morrow to represent them in Student Senate.

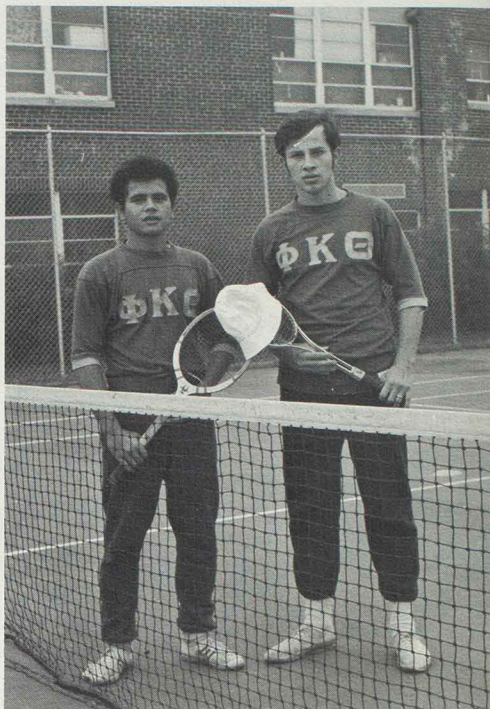

Members of Phi Kappa Theta were active in not only campus but community interests. The YMCA honored the fraternity for their help in the community with the YMCA Service Award. The Heart Fund and United Fund were also projects of the chapter. In the Opal Paint-In sponsored by Truitt-Buick, Phi Kappa Theta won the district competition and traveled to sectional.

In the second annual Greek Week festivities, Phi Kappa Theta emerged victorious with the Greek Sing trophy.

Phi Kappa Theta forged ahead into Intramurals. Marc Tendler, finalist in handball singles, teamed up with Morris Johnson to secure second in doubles. Winning the tennis singles, Mark Morrow joined by Henry Sespasara went ahead to win the tennis doubles. The fleet-ball team advanced to finals before dropping out of competition.

The chapter crowned Miss Janice Hoaglin as Sweet-heart at the Crimson Rose formal.

Starting off the year, the Phi Kaps pledged thirty new members and look forward to another great year next year.

The youngest chapter of the youngest national fraternity gained the help and assistance of Mr. Herman P. Wilson as co-sponsor with Mr. William Murray, sponsor.

Community projects included donating blood, collecting

for the United Fund and the Mental Health Association.

Chapter President, David Beaty, and chapter secretary, Brian Anderson, were selected to Who's Who in American Colleges and Universities.

Phi Sigs Celebrate Founder's Day

Gamma Chapter of Phi Sigma Epsilon started the year with the primary goal of equaling last year's achievements of receiving the "Most improved Chapter Award," and the "Best undergraduate newsletter Award." They also defended their intramural basketball championship of 1968-69.

Phi Sig men sponsored their annual raffle for "Easter vacation in Florida." Frank Wagner was chosen "Little All-American" for the second consecutive year, and both Wagner and Ken Bebermeyer were named to the first string, all-conference football team. Frank Sims was selected to

Who's Who along with Greg Skinner.

In September, the men of P.S.E. started a successful year by starting a house improvement program, which included painting, landscaping and asphaltting the drive-way.

Highlighting the year was Phi Sigma Epsilon's celebration of Founder's Day, at which the guest speaker was Congressman Fred Schwengle, Gamma alumnus. Also working closely with Gamma chapter was a strong alumni program.

With their theme, "Here come da judge," the men of Gamma chapter portrayed keystone cops in the Homecoming parade. Special feature of their project was a Central Missouri mule in a cage.

Bulldogs Share MIAA Championship Crown

If the 1969 Bulldog football team had listened to the noises of the polltakers they might have never heard the roar of the crowd chanting, "We're number one!" Enjoying their best overall season since the 1965 campaign, the Bulldogs literally came from nowhere to earn a share of the MIAA football crown.

When the first August workouts began it appeared that the team's depth was sound with 26 returning lettermen reporting for the workouts. After the first week of practices the injury plague that jinxed the team throughout the season began to take its toll.

Coach Russell Sloan in an effort to bolster his forces was forced to shuffle and reshuffle his offensive, defensive, and specialty units throughout the season. Despite the odds the effort paid off. When the season was over the Bulldogs possessed a 6-2-1 season record, were MIAA co-champions in the centennial year of intercollegiate football, and had placed six men on the MIAA All-Conference first team.

Offensively, the team scored 27 touchdowns, 16 passing

and 11 rushing, while the running attack rolled up 1,158 net yards. In the air, the Bulldogs connected on 95 passes for 1,583 yards.

Mike Berentes, Don Cummings' favorite receiver, clicked with the Bulldog quarterback for 31 completed passes, 559 yards, and six T.D. strikes. Charlie Blakely added to the offensive creativity as he pulled in five T.D. tosses.

Freshman running back, Lenvil Elliott completed his first year as the Bulldog workhorse, blasting for 540 yards, one touchdown, and a 3.8 yards-per-carry average in 171 attempts. Lloyd Wiese averaged 3.5 yards-per-carry and scored four T.D.'s during the season.

On the other side of the ledger, the defensive squad stifled enemy offensive attacks, allowing the Bulldog offense more time for scores as they allowed only 13 touchdowns, 966 yards rushing, and 1,205 yards through the air. Altogether the 'Dogs amassed 188 points to just 120 points for their opponents.

Ken Bebermeyer (88) nails Central Missouri State's quarterback, Steve Eckinger, for a big loss as Greg Skinner moves into assist on the tackle.

The Bulldogs kicked off their '69 season on the road with their eighth consecutive win over *Kansas State at Pittsburg*, 14-13. After erupting for 14 points in the second quarter, the Kirksville gridders had to hold back a vengeful Gorilla team for the one point victory. NMSC's scores came on two touchdown passes from quarterback Don Cummings, the first to split end Garry Boyd on a 67-yard pass play and the second a 23-yard aerial to freshman tailback Lenvil Elliott.

Playing in their home opener, the Bulldogs battled *Lincoln University's* Tigers to a hard fought 22-22 deadlock. The offensive attack was led by Cummings who sneaked over for a one-yard T.D. and threw two touchdown passes to slotback Charlie Blakley, one a 73-yard pass play and the other a 6-yard toss. Bulldog tri-captain Bob Levy added three points with a 25-yard field goal. The game was a costly one, however, as tri-captain and 1968 All-Conference center, John Bringer suffered a dislocated elbow and was lost to the team until the latter part of the season.

On the following weekend the Bulldogs fell victim to rain, mud, and a disputed two point conversion call as *Eastern Illinois University* handed Kirksville an 8-7 heartbreak loss. After Cummings tossed a 25-yard T.D. pass to Blakley in the opening series, the game remained scoreless until Eastern Illinois' Terry Tuley scored a T.D. on a one-yard dive late in the fourth quarter. On the conversion attempt Tuley went around his right end, barely crossing the goal line according to the official.

Southwest Missouri State fell victim to the Bulldogs 23-0 in the MIAA opener. Kirksville, relying on a strong ground attack rolled up 249 yards on the muddy turf while the defensive squad held the Bears to 139 total yards.

Cornerback Charlie Brown struggles to bring down a University of Missouri at Rolla pass receiver.

Mike Hooker, harassed by a Central Missouri State defender, attempts to gain control of a jarred Don Cummings pass during NMSC's homecoming victory.

Tailback Charlie Blakley makes his final cut past a diving Southeast Missouri State tackler as he races for open ground during Kirksville's 24-14 loss.

A determined Mike Berentes walks back onto the field after grabbing a sideline pass during the 1969 Homecoming battle against Central Missouri State.

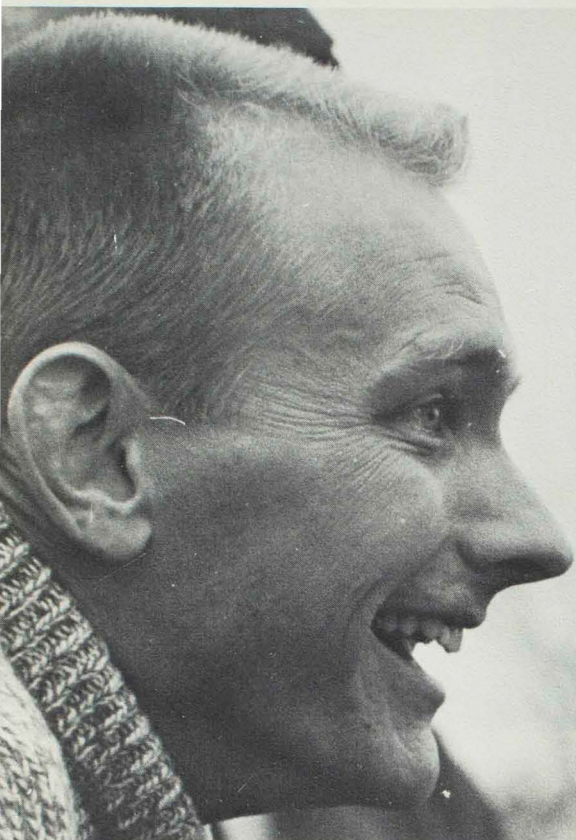

The foot of Mike Berentes lofts the pigskin toward a no point conversion as the Bulldog line fights to hold off a determined University of Missouri at Rolla rush.

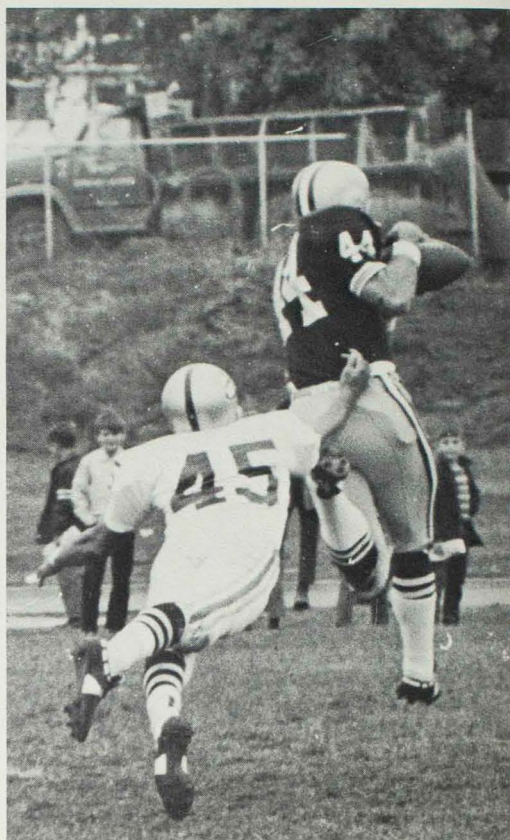

Three fumble recoveries and an intercepted pass were the keys to victory as Kirksville captured their second MIAA win by beating *Central Missouri State*, 28-10 at the annual Homecoming game. The Mules paid the price of invading Stokes Stadium as Mike Berentes snagged two Cummings strikes for 10 and nine yard scores. Wiese scored from 17 yards out and later on a one-yard plunge to rout out the Bulldog scores.

Gaining momentum and such affectionate nicknames as "Big Purp" and the "Purple Pride," Kirksville played host to the *University of Missouri at Rolla*, downing the Miners, 21-14. A stubborn 'Dog defense turned in its most impressive performance of the season, holding the Miners to 28 net yards rushing and 78 yards passing.

The Bulldogs deciding touchdown score came on a 46-yard pass play from Cummings to Elliott. Earlier Wiese scored a T.D. on a one-yard dive and a Cummings to Berentes 20-yard pass play produced the other touchdown.

First year coach Russ Sloan breaks into a broad smile after a Bulldog score.

A desperate Central defender dives in a vain attempt to break up a Mike Berentes pass reception.

Not every play goes for a long gain as Charlie Blakley finds out. Southeast Indians have him trapped after bringing in a screen pass.

With a perfect 3-0 conference record at stake, the Bulldogs found themselves going on the road to face *Southeast Missouri State* in what was believed to be the showdown game for the MIAA crown. The Indians, also 3-0 in the MIAA, appeared to have dealt a death blow to NMSC's title hopes in dominating the action in their 24-14 win over Kirksville.

A sputtering offense allowed the score to remain 24-0 until the final quarter when a one-yard T.D. plunge by Cummings and a 50-yard pass play to tight end Tom Geredine put Kirksville on the scoreboard.

The Bulldogs then returned home to close out their MIAA schedule against Northwest Missouri State's Bearcats in the battle for the "hickory stick." The game was also designated to observe the centennial year of intercollegiate football. More important, though, the Bulldogs 39-12 victory over the Bearcats coupled with Central Missouri State's 44-21 upset win over Southeast Missouri established the Bulldogs and Southeast's Indians as co-champions of the MIAA.

After only leading 7-6 at halftime, the Bulldogs, inspired by favorable reports of the CMSC-SMSC game, erupted for 32 points and 279 yards total offense.

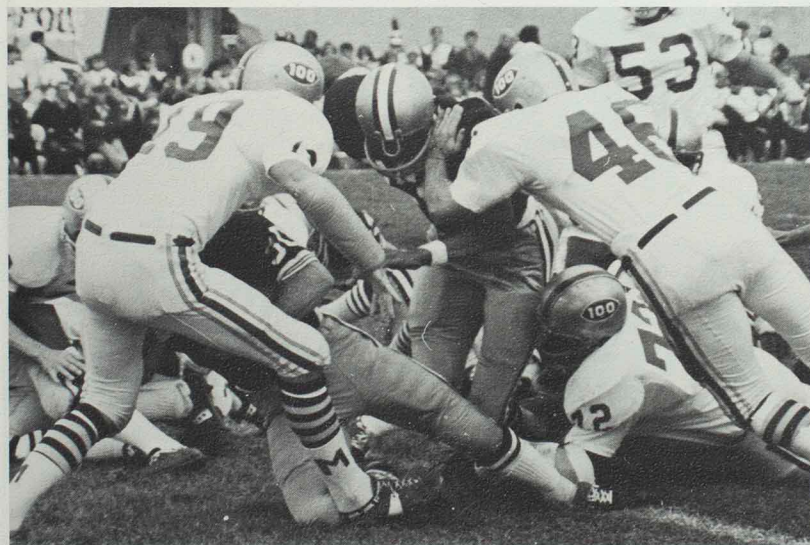

Touchdown scores came on a seven yard pass from Cummings to Berentes, a one-yard sneak and a 17-yard keeper by Cummings, a 17-yard run by Wiese, and substitute quarterback Jim Arico's 17-yard pass to fullback Al Fulton. The Bulldog's initial score came when Elliott crossed over from the one-yard line to cap a 43 yard drive.

The defense was not without its heroes as Aubrey Johnson blocked two place kicks, picked off a stray pass that set up Kirksville's fourth T.D. and was in on 14 tackles. Two other interceptions were snagged by freshman safety Kevin Miller and one each by halfbacks Charles Brown and Bob Hepker.

Kirksville took to the road to close out their season with the *Parsons College* Wildcats in a come from behind 20-17 victory.

Trailing 17-14 with under four minutes left in the game, the Bulldogs completed a 51-yard pass play from Cummings to Blakley for the deciding score. Earlier Kirksville scores also came on passes. The first was from Cummings to Berentes for 14 yards and the second a nine-yard strike to Geredine.

Kirksville fullback Tom Gruening finds the going tough as he tries to power his way through a line hole clogged with Warrensburg defenders.

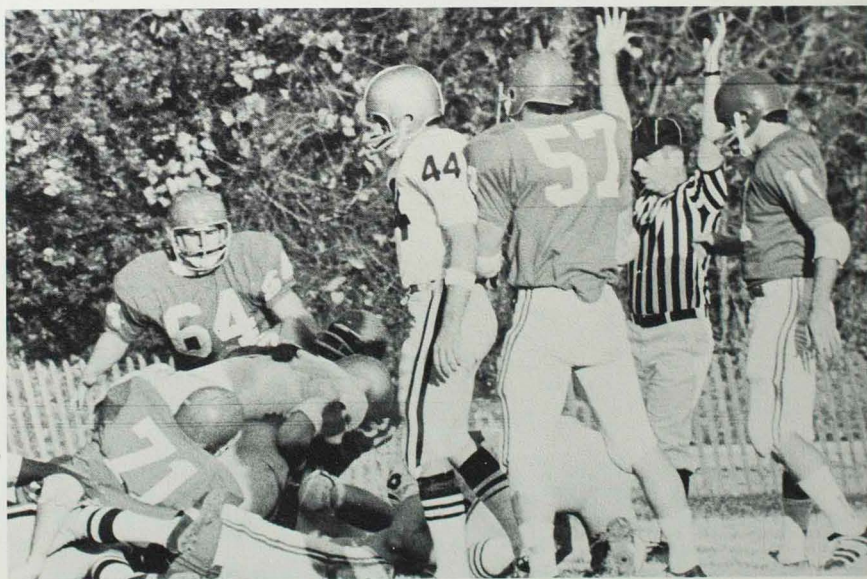

Coach Russell Sloan, his head barely visible among the mass of purple jerseys, gives last minute pointers and encouragement to the team prior to the clash with Lincoln University.

The referee's hands signal "touchdown" as quarterback Don Cummings sneaks across the goal line from one yard out. Play put Kirksville on the scoreboard late in the fourth quarter during the game with Cape Girardeau.

Six Bulldogs Gain MIAA Honors; Defense Prevails

Six members of the 1969 Bulldog football team were selected to the Missouri Intercollegiate Athletic Association all-conference first team.

Members of the first-team defensive unit included: senior middle guard Frank Wagner, senior tackle John Suell, junior end Ken Bebermeyer, and junior linebacker Aubrey Johnson. Bebermeyer ended in a tie with Southwest Missouri State's Bill Endres for the end position.

Offensive selections for the first team included junior slotback Charles Blakely and junior quarterback Don Cummings, who tied Central Missouri State's Steve Eckinger for the signal-catcher station.

Wagner and Southeast Missouri fullback Bruce Hoffman were the only unanimous choices for first-team honors.

Bulldog selections to the second-team defensive unit were junior defensive tackle Greg Skinner and senior linebacker Bob Levy. Senior offensive tackle Boyce Wooley and junior split end Mike Berentes received honorable mention.

Cheerleaders Support NMSC Patriotism

Bulldog cheerleaders volunteered many hours of practice to perfect various cheers and drills. The time spent in practice resulted in spirited boosting of the team to victory at the games.

Cheerleaders rode as a group in the '69 Homecoming Parade. The girls performed at the Homecoming game and all other football games of the season.

These Bulldog supporters also displayed school spirit at the basketball games and wrestling meets. A major goal for the cheerleaders was to encourage enthusiastic school spirit. The girls worked with precision movements and cheers to lead Bulldog fans in cooperative support of the team.

Cross Country Places 14th At NCAA Meet

Although they were nosed out for the MIAA Championship, the 1969 Bulldog Cross Country team placed 14th in the NCAA College Division Meet at Wheaton, Illinois, marking the highest NMSC team standing at the meet since 1965.

The Bulldogs top two performers were the co-captains, Keith Allen, and Tom Logan, 37th and 67th, respectively. Allen's time was 26:18 and Logan was clocked at 26:38. Times and finishes of runners were Pat Sullivan 100th, 26:59; Bill Chickering, 166th, 27:35; Loren Moes, 184th, 27:45; and Tom Walsh, 257th, 28:30.

Running conditions at the meet were miserable to say the least, as two inches of snow was on the ground and temperatures in the 20's prevailed during the meet.

At the MIAA championship meet the harriers were edged by Central Missouri State's Mules. The Bulldogs held their scoring down to 38 points, but the Mules did better by holding their score down to 33 points.

Logan led the Bulldogs by finishing second, covering the five-mile course at Warrensburg in 25:33. Other Kirkville finishers were Allen in third, Sullivan, sixth, Chickering, 13th, and Walsh, 14th.

In preparation for the MIAA meet the Bulldogs compiled a 6-2 dual record. The harriers topped respected cross country teams including Central Missouri State, Western Illinois University and the University of Iowa, while losing only to Illinois State and the University of Minnesota.

At the Southwest Missouri State Invitational Meet, the dogs placed fifth. Logan was the top Kirkville harrier, finishing in the eighth position.

One of the highlights of the dual season occurred at the home meet with the Mules, when Logan established a five-mile mark for the Kirkville Country Club by crossing the finish line in 25:51.

Basketball Team Has Frustrating Season

The 1969-70 Bulldog basketball year was the kind of a year in which success and frustration shared the season's best descriptive terms. While turning in one of NMSC's best non-conference records in recent years with a 10-4 mark. The Bulldogs at the same time found themselves occupying, for the first time since 1966, the bottom of the MIAA standings with a 1-9 record.

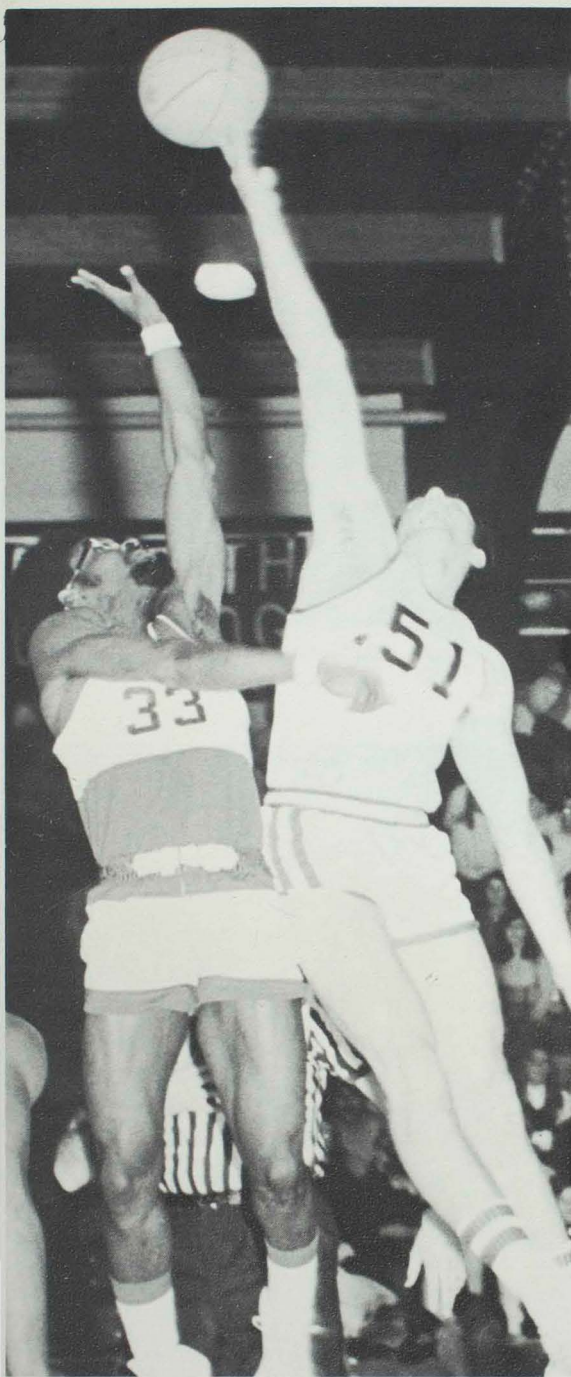

On the favorable side of the ledger the Bulldogs did win some impressive victories over several non-conference foes including Adams State, Colorado State, Washington University, Illinois State, and Western Illinois University.

One of the most frustrating aspects of the season for the Bulldogs was that six of their losses were decided by

four points or less. In another category of what the Bulldogs generally regarded as the friendly confines of the Pershing Arena the home ground wasn't always friendly. On the homecourt the Bulldogs were 5-5 and on the road were 6-8.

Head Coach Boyd King's starting lineups throughout much of the season revolved around senior guards, Ron Sterchi and Bob Fuka; senior forward Don Bramlett and junior forward Claude Wilson; and senior center Jerry Buhr.

In addition to the starters one of the teams' best assets was the bench strength led by seniors Terry Winters, junior Charles Currie, and freshman Louis Gregory.

The Bulldogs opened their season on the road against Parsons College in a game that turned out to be one of the Bulldogs hardest fought games of the year, but lost to the Wildcats, 72-68.

Returning home the Bulldogs then opened a three game weekend homestand. After winning the first two games over Baker University, 92-80, and Missouri Western, 77-74 the cagers suffered a one point loss to Rockhurst College, 74-73.

The Bulldogs rebounded from the loss by reeling off four straight victories including their initial and only MIAA win of the season. Utilizing the charity strip the Bulldogs edged Northwest Missouri State 69-68.

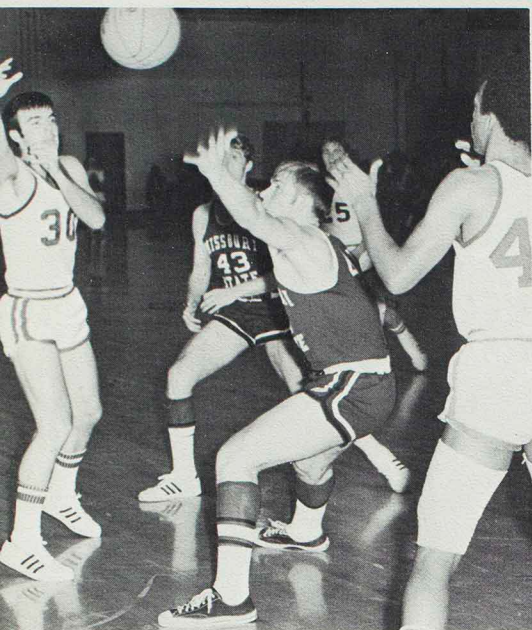

An 88-78 victory over Illinois State and twin wins at the Heart of America Classic Tournament at Warrensburg over an extremely tall Adams State, 69-63 and Colorado State, 80-69, pushed the Bulldogs pre-Christmas record to 6-2.

When the Bulldogs returned to the court in January a lengthy road schedule of seven games and one lone home game brought the Bulldogs their serious problems.

Although they managed to maintain a 4-4 record for the month three of the losses were to MIAA teams—Central Missouri State, 84-77; Southwest Missouri State, 70-63; and Northwest Missouri State, 88-71.

The Bulldogs' most impressive non-conference victories were over Western Illinois University, 83-72, and Washington University, 68-66.

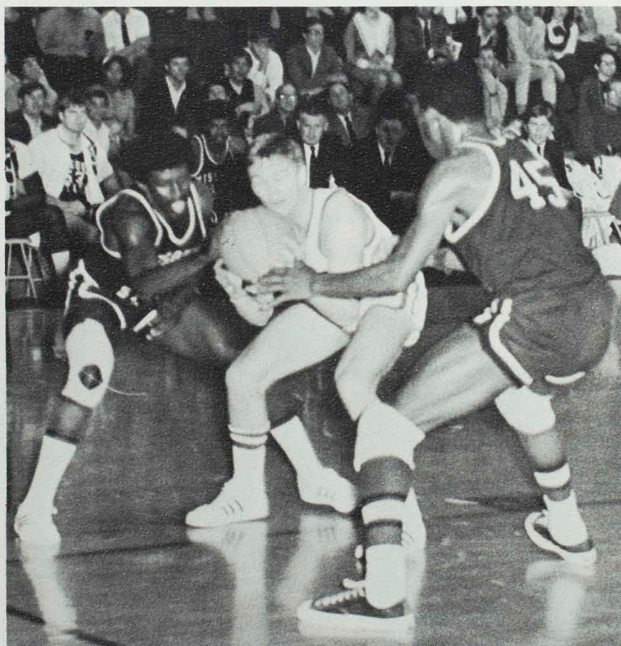

Returning home the Bulldogs opened the month of February with a victory over Sacred Heart College, 83-81 but then lost in four overtimes to the University of Missouri (Rolla), 89-87, and Southeast Missouri, 84-75.

The Bulldogs then went on the road to return a visit to their most recent MIAA foes. Their luck didn't change much, though, as the Bulldogs fell short against UMR, 86-74 and Southeast, 82-81.

Closing out their season at home the Bulldogs met the MIAA's conference leaders, Central Missouri and Southwest Missouri head-on. The going was rough, however, as Central won 85-82 and Southwest topped the cagers, 77-63.

In the final game of the season the Bulldogs lost a verdict against Sacred Heart College.

Wrestlers Sparkle In Conference Meet

Rich Beard strives to win championship heavyweight match.

For the third straight year, the 1969-70 Bulldog wrestling team won the MIAA's conference wrestling crown. The Bulldogs in racing to the title on their home mats mounted 92 team points while their nearest opponent, Northwest Missouri State tallied 71.

Relying on the strength of three individual champions—Harry Brown (134 lbs.), Stan Huggins (177 lbs.), and Rich Beard (Hwt.), five seconds, and two third-place finishes, the Bulldogs defended their title principally on team depth.

After all ten of Coach Tony Yelovich's wrestlers advanced into the semi-rounds, the Bulldogs ended up placing eight of the ten in the finals with three of them claiming individual titles.

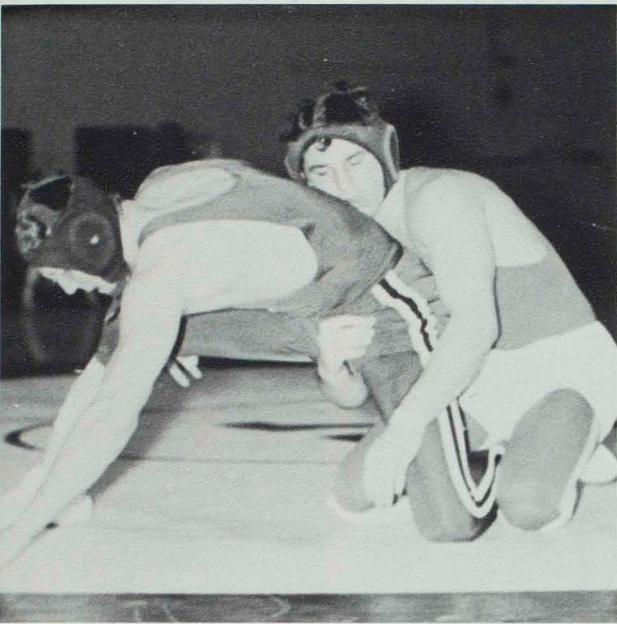

The conference title topped off what appears to have been a somewhat dismal 6-8 dual season record and an unimpressive tournament record but that wasn't the whole story.

The Bulldog grappler's schedule for the 1969-70 season was one of the most difficult slates in NMSC's wrestling history. Their schedule included the nation's number one rated small college wrestling team—the University of Nebraska (Omaha), in addition to other powerhouses including North Dakota State, Northern Iowa, Upper Iowa, and the University of Missouri (Columbia).

In seasonal tournament action the Bulldogs finished second in the Graceland College Tourney, were fourth at Northwest Missouri State and were third at Southwest Missouri State.

The 1969-70 season also concluded the collegiate careers of the Bulldogs' 1968 All-Americans, Curd Alexander (118 lbs.) and Rich Beard (Hwt.) Both of them completed their final years with impressive dual records with Alexander posting a 15-5-3 mark and Beard an 18-3-2 record.

Tennis Team Narrowly Misses NCAA Title

By the smallest of margins, the 1969 Bulldog tennis team missed the chance to be the first NMSC intercollegiate team to win a national crown. They were edged out by the San Fernando Valley (California) State College, 17-16, in the NCAA National College Division Championship, held last summer at East Stroudsburg, Pennsylvania State College.

In the quest for the title, the netmen, under the direction of Coach H. A. Walmsley, were strong contenders until the final doubles match in which Ron Selkirk and Dave Romberg were downed 6-3, 8-6 by San Fernando Valley's Steve Mesmer and George Benedict.

In singles matches both Selkirk, playing with a cast on his broken left wrist, and Romberg advanced to the semi-finals and quarter-finals, respectively, before losing. Other team members, Ken Clow and Kurt Marin dropped their third round doubles match after being eliminated in their second round singles matches.

On the road to gaining their national tournament berth, Kirksville first had to capture the MIAA conference title, for the sixth consecutive year, and the NCAA College Division Midwest Regional Championship, for the second year in a row.

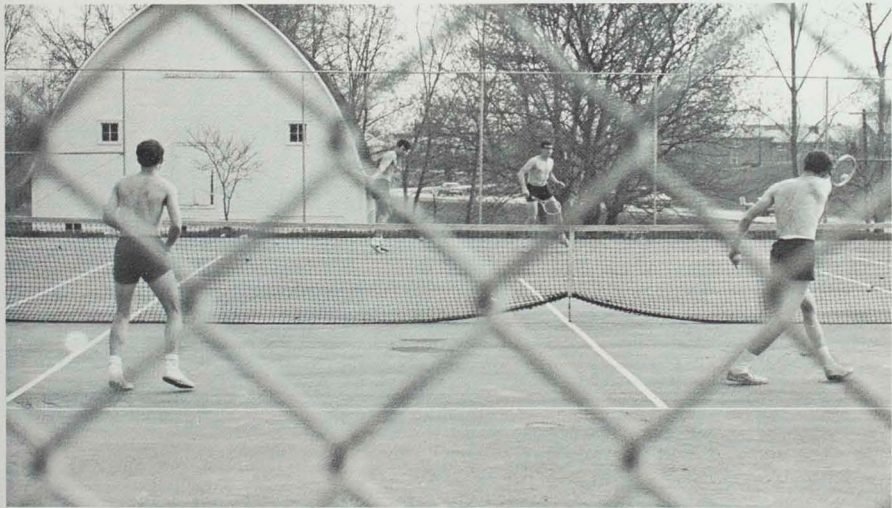

In addition, the Bulldogs won their own invitational tournament, the Drake Invitational tournament, and compiled a 12-2 dual match record. Highlights of the dual season included impressive victories over Purdue, Indiana State, Illinois State and University of Missouri at Columbia, while losing only to Notre Dame and Bradley University.

Individual singles and doubles statistics were equally impressive as Romberg and Selkirk led the team in doubles victories, compiling a 28-3 record. In singles play Romberg was 27-4, Marin 28-4, Clow 25-8 and Selkirk 21-9.

Bulldog head tennis coach H. A. Walmsley runs through another set of clothing as jubilant netmen celebrate their own invitational tournament victory.

Baseball Team Improves Season Record

Bulldog co-captain Charles Blakley prepares to field a bunt laid down by a Northwest Missouri State batter in a Kirksville victory over the Bearcats.

High hopes for a vastly improved baseball season diminished for the 1969 Bulldog baseball team as inconsistent hitting and injuries became the principal factors in the teams' 9-18 season record. The '69 squad did improve, though, the previous years 7-17 record.

In the race for the MIAA's Northern Division championship Coach Sam Nugent's team at the start of the season was looked upon as a primary contender for the title.

In individual statistics, Bob Miller repeated as the team's top E.R.A. hurler, allowing just 1.15 earned runs per game after 39 1/3 innings and allowed only 1.69 runs per game. He also struck out 39 batters to lead the team in that department.

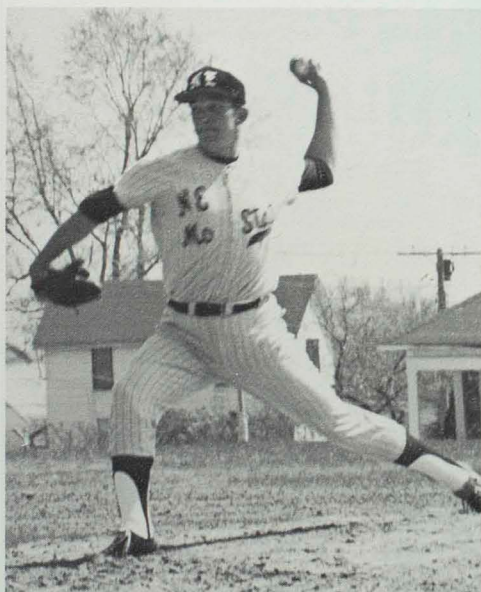

The hitting attack, a Bulldog weak point, was led by Jack Sapp, whose .282 batting average was tops among the regulars. Mike Hooker was the leader in runs batted in with 16 to his credit.

Injuries to Larry Anderson, Mike Pontius, Miller, and Sapp also hurt the teams' performance. Team totals showed an overall .217 batting average while the mound crew combined for a 3.13 ERA after 207 1/3 innings pitched. Six of the 'Dogs' 18 losses were by one run, while the Kirksville nine were whitewashed eight times.

Mike Gilbert, Bulldog co-captain completes his swing after getting his second base hit in a game against Parson College.

Mike Hooker, Bulldog hurler, pushes off the pitching rubber as he gets set to fire a pitch toward home plate in a game with Northwest Missouri State.

Golf Squad Places 2nd At MIAA Meet

Bulldog golfers weren't supposed to be strong contenders for the MIAA golf title in 1969, but they finished only six strokes behind champion University of Missouri at Rolla. The NMSC second place finish topped off a 10-4 dual and triangular season record.

Mike Delehaunty and Mike Brake, '69 senior co-captains, led the NMSC squad at the MIAA championship match at Maryville with 36 hole scores of 158 and 159, respectively. Right behind them were Jack McClain, who shot a 160; Gary Paul, 161; Chuck Hull, 164; and Gary Derby, 166.

The final team scores showed UMR finishing with 796 strokes and the Bulldogs with 802 strokes. The 'Dogs had led by 11 strokes at the conclusion of the first day of the two-day event, but Coach Boyd King's linksmen experienced difficulty performing in the cold, damp, and windy weather on the second day.

Coach King assumed the '69 golf coaching responsibility as William Richerson, previous coach was on an academic leave of absence.

In preparation for the MIAA match the Bulldogs had opened with a dual loss to Lincoln University but bounced back to capture five consecutive wins in dual and triangular meets before losing to University of Missouri at Rolla in a double dual. The squad then went on to win four of their next six matches to complete their 10-4 season.

Track Team Finishes 8th At NCAA Meet

Success and disappointment seemed to go hand in hand for the 1969 Bulldog track team. They successfully finished eighth in the NCAA's College Division Track Meet, but came in second behind Southeast Missouri State in both of the MIAA's Indoor and Outdoor Meets.

The eighth place finish at the NCAA Meet, held at Ashland (Ohio) College, was NMSC's highest track team standing in their history of competition at the meet, while the double loss of the league crown came after ten consecutive championship years for the Bulldogs.

Among the most successful aspects in '69 was the performance of freshman Don Allbritton, who won the NCAA's College Division pole vault title and finished in a tie for seventh at the NCAA's University Division finals, held in Knoxville, Tennessee. At the College Division finals he also established a new school record, with a vault of 15'8".

In addition to Allbritton's individual title at the College Division Meet senior co-captain Ron Davis placed third in the 440-yard dash with a time of 48.2 seconds, just .6 of a second off the winning time. He also carried the baton on the mile relay quartet that placed fourth with a time of 3:14.4, 2.4 seconds behind the winner. Other members of

the relay unit were senior co-captain Wayne Denney, freshmen Larry Gardner and Nick Francis.

Denney, who had not seen competition for a month prior to the meet also finished seventh in the 880-yard run. High jumper Aubrey Johnson placed seventh in his event. By finishing in one of the top six places in their categories, Denney, Davis, Allbritton, Gardner, and Francis earned College Division All-American honors.

At the NCAA Midwest Regional, Denney took first in the 440-yard dash and teamed up with Gardner, and Francis to win first place in the mile relay. Allbritton won the pole vault and finished second in the high jump. Aubrey Johnson was fourth in the high jump.

Disappointment was the prevalent mood before these successes as the Southeast Indians dethroned the Bulldogs from the coveted first place position at both the MIAA Indoor and Outdoor meets. At the Indoor contest Southeast amassed 81 points to NMSC's 66½ points, while at the Outdoor Southeast outpointed Northeast 122-68.

Among the Bulldogs who won events at the Indoor Meet were Davis, winner of the 440-yard dash and the 60-yard low hurdles, and Johnson in the high jump.

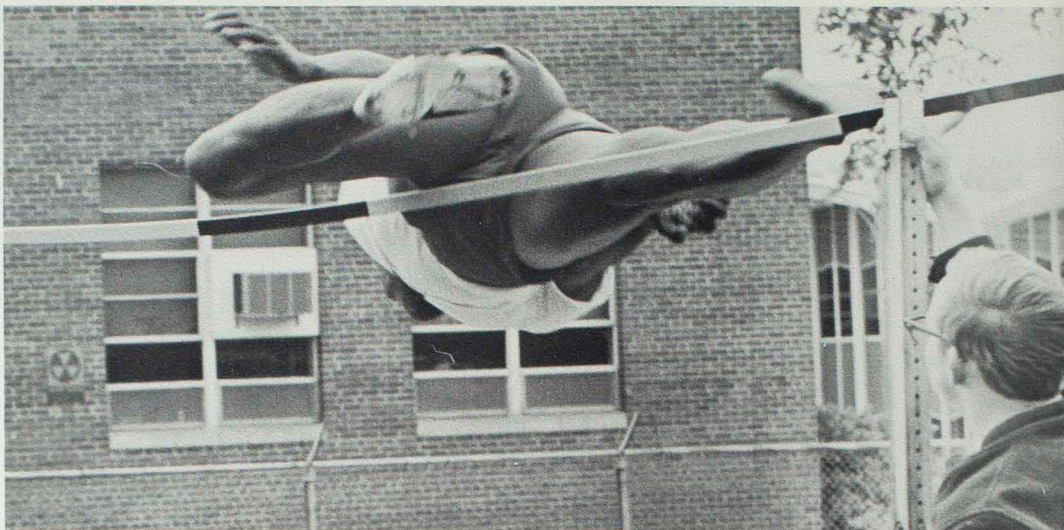

All American, Don Allbritton, became the fifth NMSC athlete to claim a national title.

Pat Sullivan, defending his outdoor MIAA mile championship, leads teammate, Keith Allen, and other conference participants in the event.

Southeast Missouri State's John Miller, Al Jackson, NMSC graduate assistant, Ron Davis, Aubrey Johnson, and manager Jerry Smith, take time out after the high jump competition at the MIAA outdoor meet.

Aubrey Johnson clears 6'4" in the high jump tying him with teammate, Don Allbritton for second place at the MIAA's outdoor meet.

At the MIAA Outdoor meet, Davis, was named the meet's outstanding individual, while helping to account for four of his team's six first places. The versatile senior also won the long jump, 440-yard dash, 220-yard dash and ran on the winning mile relay quartet. His long jump distance of 23' 6½" was a new outdoor record. Pat Sullivan and Denney each repeated 1968 performances as Denney won the 880-yard run and Sullivan won the mile run.

In preparation for the NCAA and MIAA meets the squad initially competed indoors at the Kansas State Relays and in triangular meets at Western Illinois and Illinois State.

At the Kansas State Relays the Bulldog's two mile relay team established a new NMSC record with a time of 7:40.1. Members of the team included Mike Pemberton, Keith Allen, Bill Young and Denney.

When the Bulldogs moved outdoors they participated in the Drake, Kansas, and Emporia State Relays, a triangular meet with the University of Missouri at Columbia and Southeast Missouri State, and dual meets with Central Missouri State, and Northwest Missouri State.

The Bulldog's lone home track meet with Lincoln University was cancelled after a down-pour occurred midway through the meet.

Ron Davis strains to break the string ahead of Southeast Missouri State's, Al Holmes, in the 220-yard dash at the MIAA's outdoor meet.

Sigma Tau Gamma Captures I-M Title

Sigma Tau Gamma captured the 1969 Men's Intramural All-Sports championship trophy to highlight the 1969-70 year for NMSC men's intramural sports.

In taking the title the STG's outscored their nearest rival and defending champion, Phi Sigma Epsilon, 346-328.

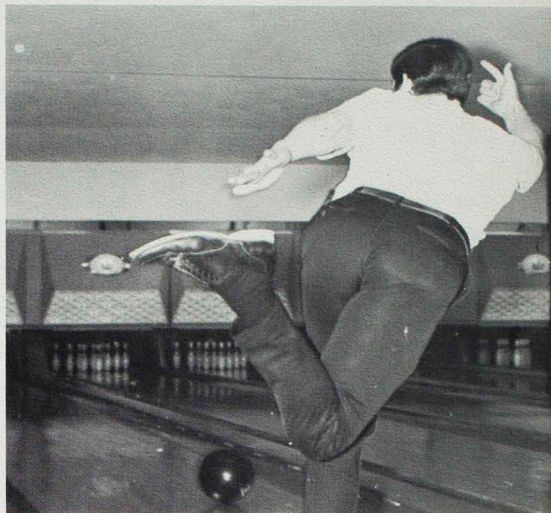

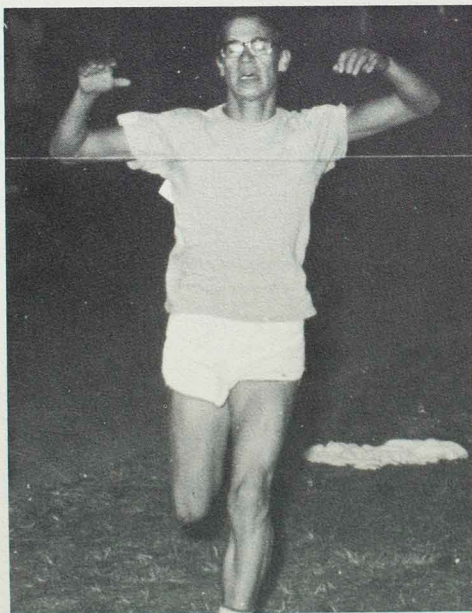

The 1969 season was kicked off with PSE taking the basketball crown and Greg Skinner winning the free-throw contest. In badminton competition Mike Hupfer took the individual honors and Gary Ireland and Mel Kelly teamed up for the doubles title.

During the spring competition, the McPhersons pulled in the tug-o-war title and the Sports won the track and field meet. The horseshoe singles crown went to Joe Galkowski and the doubles title to Mike Spears and Les Guthrie. Ike Frye won the three-mile marathon run. The Stone Foxes captured the team bowling championship.

The STG Hammerheads opened the fall semester by winning the fleetball title while the Aztecs won first place in the fall tug-o-war. The Iranians captured the volleyball championship. In addition, Mark Morrow won the singles tennis crown and then teamed up with Henry Sesepasara to claim the doubles title. John Cowen finished first in the Cross Country Turkey Run.

In a new sport Richard Staley became the first singles handball champion with Glen Packwood and Bill Weber took the doubles crown. The wrestling title went to the Warriors. Mohammad Afra took the singles table tennis championship and Jerry and Stephen Weaver combined to take the doubles title.

John Cowen crosses the finish line to capture Turkey Day race.

Bowling competition attracted many competitors.

Tug-of-war competition saw the "mighty mites" of Phi Lambda Chi winning the all-school championship.

Thirty-three Seniors Make "Chosen Few"

Thirty-three NMSC seniors were chosen this year to *Who's Who in American Colleges and Universities*. Selection was based on leadership, scholarship, and contribution to the college. To be selected for this honor, it was necessary for a student to be recommended by members of the faculty and approved by the Student Senate. After this, the students' names were submitted to the faculty-at-large for a vote, and the seniors receiving the most votes were named to *Who's Who*.

Various revisions in the method of selecting *Who's Who* finalists will go into effect next year. Among these are the requirements that a student have at least a 2.5 honor-point ratio and belong to at least two campus organizations to be considered as a candidate. It is also planned that the voting faculty members have an opportunity to meet the nominees in person at a get-acquainted reception.

Blickhan, Mullendore Edit INDEX

The 1969-70 INDEX was edited by Larry Blickhan, fall, and Jim Mullendore, winter semesters. Under their leadership, the INDEX, which is a weekly publication of the College news, presented the student body with campus news, and an innovation to this year's publication was the inclusion of national topics.

Many students throughout the year took advantage of expressing their views through "Letters to the Editor." Several students submitted poetry, book reviews and various columns to the INDEX during the past year.

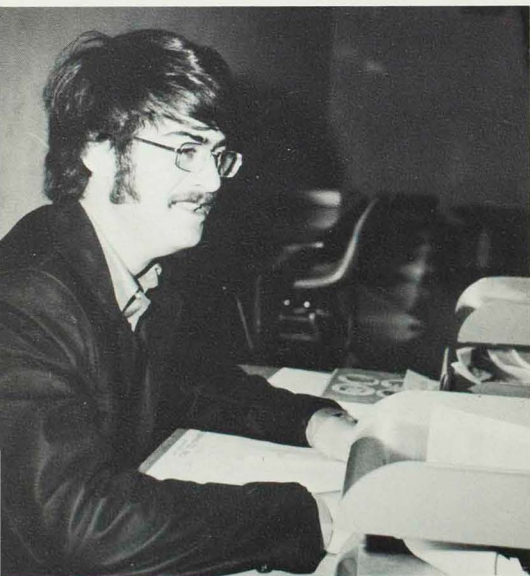

Advertising sales for the INDEX were made by Henry Shebitz. Nancy Fountain provided the staff with comprehensive coverage of the administrative offices and John Luhn and Rich Lucas served as sports editors.

Photographs for the 69-70 INDEX were taken by Kerwin Rohr who received several number one ratings for his photographic abilities. The INDEX was under the advisorship of Joe Galkowski.

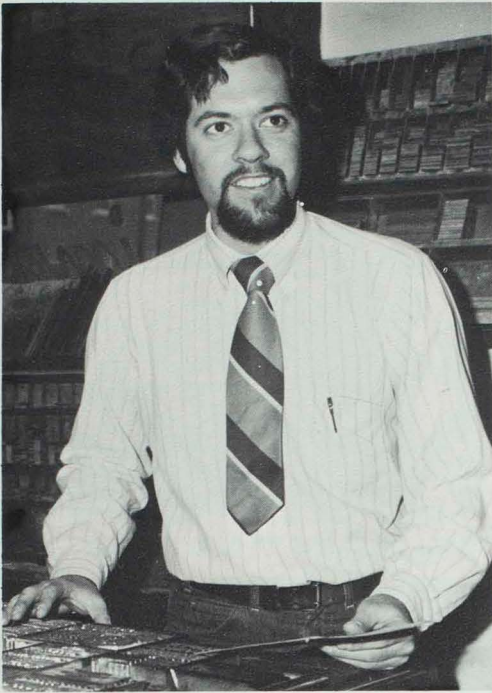

Winter semester editor, Jim Mullendore, ponders over copy with Nancy Fountain.

Larry Blickhan edited the INDEX during the fall semester.

Sheila Caldwell and Joan Bobeen prepare copy for the weekly publication.

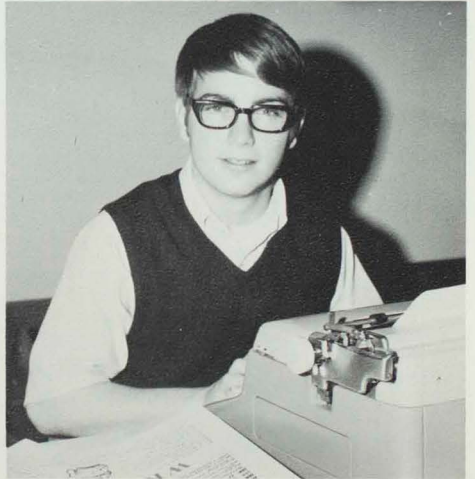

Henry Shebitz looks over copy as advertising manager.

Photographs for the INDEX were taken by Kerwin Rohr.

Jim Mullendore meets with Senator Richard Southern to discuss the April 7 school tax referendum.

Sportswriting was covered by Rich Lucas during winter semester.

ECHO staff members Louis Hamilton, Rhea Weerts, Sheila Caldwell and Carla Jackson check yearbook files.

Over 300 campus pictures were taken by Kerwin Rohr for the '70 ECHO.

Layouts for the yearbook were edited by Larry Lamberson.

Bradshaw Leads Yearbook Staff

Spearheading the 1970 yearbook staff was Perry Bradshaw, a philosophy major from Kirksville. Selecting the theme of approaching the new decade of the seventies, Bradshaw designed his introduction to the yearbook as a recap of the past decade and introduced his outlook for the seventies.

Becky Inlow co-ordinated the business functions of the yearbook while Phyllis Scott, Carla Jackson, Larry Lamberson, and Richard Demarest completed the editorial staff.

Campus photographs for this year's publication were supplied by Kerwin Rohr and Farshid Assassi. Other photographic contributors included John Kenney, College publicity staff, and Glenn Rider, commercial photographer.

Other staff members contributing to the production of the yearbook included Cathy Powell, Louis Hamilton, Ann Wright, Ann Leone, Henry Shebitz and Brenda Riley.

The 1969-70 ECHO was the largest (page-wise) in the history of the College. The ECHO was under the advisorship of Joe Galkowski.

Perry Bradshaw, editor, and Joe Galkowski, advisor, discuss picture selection.

Cathy Powell types ECHO copy during early morning hours.

Keeping up ECHO records was the duty of Brenda Riley.

Capturing campus candid is Farshid Asassi.

Mary Long and Ann Leone select individual pictures.

The Seventies are now truly upon us. Undoubtedly they have come too quickly for some. Many of us find ourselves prisoners of the past, unwilling to become citizens of the present. A luckier few have already made themselves an indispensable part of the decade, and their concern has guaranteed them a large share of the future. Among these people I must include the members of my yearbook staff who, at the expense of their free time, spent so many hours creating the 1970 ECHO. To them I can only express my deepest thanks for a tremendous effort. To the students of NMSC I can only express my own impotent wish that the 1970's will finally bring peace to all of us.

Perry Bradshaw, Editor
Becky Inlow, Bus. Mgr.
